Potentate's Message

We are already halfway through the year, and what a busy year it has been! One of our biggest accomplishments has been securing our new building. We anticipate closing on the property around the first of July, marking an exciting new chapter for Tangier Shrine.

The Nebraska Shrine Bowl is now in the rearview mirror. We were blessed with great weather and an outstanding game. Even more impressive, the players raised more than last year, generating over \$24,000 in advertising sales. Thank you to everyone who helped make this event a success.

I would also like to extend my sincere appreciation to Don Streeter and his committee for organizing another outstanding Show-n-Shine. The funds raised from this event benefit Shriners Children's and Tangier's Patient Transportation Fund. Thank you to everyone who attended, participated, and supported this important fundraiser.

The elected Divan, their Ladies, and our Past Potentates will soon be traveling to Tampa, Florida, for the Annual Imperial Session, taking place July 12–16. During the session, we will discuss and vote on several matters that will help guide our fraternity into the future. I encourage you to stay tuned and attend our August meeting, where we will provide a full report.

Speaking of August, we will be combining our August meetings into one. We expect to share a video featuring new Shriners Children's patients, along with updates and information gathered during the Imperial Session.

Looking ahead, the Central States Shrine Association (CSSA) convention is only two months away. If you have not already done so, now is the time to register. We have secured accommodations at the Cambria Hotel in the Quad Cities. Be sure to review the details on page 10. Gary Shepherd has shared some exciting plans, and we are looking forward to hosting a fantastic hospitality room for everyone.

CSSA provides a wonderful opportunity for our units and clubs to compete, connect with fellow Shriners from across the region, and enjoy time together in a relaxed environment. Even if you are not competing, I encourage you to attend. And, of course, there is also a parade! Let's show the rest of the association who Tangier Shriners are and represent our temple with pride.

Finally, I want to thank each and every one of you for everything you do. Together, we truly make a difference. Please continue to support your temple, your units and clubs, and one another.

Fraternally,

Illustrious Sir Terry J. Nelson
Potentate, Tangier Shrine

We apologize for inadvertently omitting the following Elevator Fund donors from the *June Hot Sands*.

We are sincerely grateful for their generosity, as well as the support of all who contribute to the Elevator Fund and Tangier.

Without your support, we could not do what we do for our patients.

THANK YOU!

Thank You Message from First Lady Sheryl

I would like to extend my heartfelt thanks to everyone who contributed to my project to help send children to Summer Camp Achieve, a three day experience in Woodbury, Minnesota for children with limb differences.

I am truly grateful for each and every donation, and I would especially like to recognize the generous contributions from the Provost, Director's Staff, and the Corvette Club. Because of your kindness and support, we were able to send three children to Camp Achieve, as well as assist with lodging and meal expenses.

I have invited the campers to visit Tangier and share their experiences and adventures

with us. I am hopeful that we can make this happen. I have also requested photos from camp and will be happy to share them with you when they become available.

Camper Karter

Your generosity has made a meaningful difference in the lives of these children, and I cannot thank you enough for your support, kindness, and commitment to helping others and to make this opportunity possible. I truly appreciate each and every one of you!

Sincerely,
First Lady Sheryl Nelson

ARAB PATROL

by Jason Thompson

Please note that the Arab Patrol article in last month's newsletter contained an editorial error. Text from the June 2025 template was inadvertently left in the final version, and we apologize for any confusion this may have caused.

To clarify, the **Arab Patrol and Mo-Ri are not hosting a joint Fourth of July outing** at the Council Bluffs Country Club this year.

As we shift our focus to Independence Day, we wish all Nobles and their families a safe and memorable Fourth of July as we celebrate the 250th anniversary of our nation's founding—a truly historic milestone!

Do you have ideas for future Arab Patrol events or activities? We would love to hear them. Please reach out and share your suggestions.

Let's make this historic summer one to remember!

ARBOR SHRINE

by Don Larson

The Arbor Shrine Club had an excellent turnout for our May Dinner Meeting at Otoe. We were pleased to have 15 Noble members, one guest, and nine ladies in attendance. Thank you to everyone who joined us. We hope to continue building on this momentum and increasing participation throughout the year.

We have two parades coming up this summer:

-Saturday, August 1 – Sidney Rodeo Parade; Lineup at 3:30PM | Parade at 4:30PM

-Sunday, August 2 – Syracuse Fair Parade; Lineup at 3PM | Parade at 4PM

It would be great to have the fire truck filled with Nobles as we show our support for these communities. Watch your email for additional details and updates regarding both parades.

There has also been interest in hosting another Friendship Night to introduce prospective members to the Masonic fraternity. Last year's event was a success and resulted in new membership from our area. We will be exploring opportunities to hold a similar event in the coming months.

In the meantime, invite a friend to attend a club meetings, on the last Tuesday of the month. Watch for emails announcing meeting locations and details. Be sure to share info about Masonic podcasts and other resources that can help generate interest in Freemasonry.

Together, let's continue growing our club and strengthening our fraternity.

CHANTERS

by Bernie Hauber

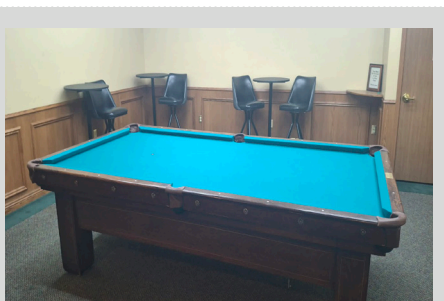

The Chanters were proud to participate and sing during the Tangier Spring Ceremonial on June 20. We certainly hope all (ESPECIALLY the new Shriners) enjoyed our chants.

For several weeks from mid-June through mid-July, the Chanters will not meet, nor will we practice. However, we plan to practice on July 20 at Tangier.

There has been continued discussion about possible Chanter performances this August at two churches. This might include performances at other events, but no further specific dates or other information are available as per the writing of this article.

We can use your help in our musical promotion of Shriners' philanthropy. If you are or if you know a noble (or a mason) with a love of music, an interest in musical fellowship and any kind of singing voice, please contact any Chanter, leave a message at the Shrine Center or just show up on a Monday (no sooner than July 13). REMEMBER to encourage membership; we are pleased to announce that we will cover the 2027 Tangier Shrine dues for any new Chanters who join. We usually start practice in the Tangier Main Room promptly at 7:00 PM. If you want us to sing at public and Masonic Family events, your request should be received early to verify our availability. That's my update for July.

"I would rather be remembered by a song than by a victory." Alexander Smith (Scottish Poet)

Refurbished Pool Table

The pool table at Tangier has received a complete makeover including new felt, new bumpers, refurbished pockets, and new cues and billiard balls. The renovation was generously funded by Motor B and spearheaded by Nobles Carl Lewis, Chuck Cline, and Ed Hatter.

As a reminder, help us maintain the condition of the pool table. Please refrain from placing any items, including drinks and food, on top of the pool table, whether it is covered or uncovered. Additionally, please cover the table after each use to help protect the playing surface. With everyone's cooperation, we can ensure the pool table remains in excellent condition.

The pool table has been a part of Tangier Shrine for approximately 25 years, donated by the Scottish Rite Center. Thanks to the efforts of these dedicated Nobles and the support of Motor B, this Tangier fixture is ready for many more years of fellowship and friendly competition.

CLOWNS

by Michael Hernandez (aka Wee Woo)

Drop your rubber chickens and tighten your bowties, because the Tangier Clowns are rolling into summer with the throttle wide open!

We're right in the heart of our favorite time of year, which means our storage lockers smell like tire shine, face paint, and the exhaust fumes of a dozen highly temperamental miniature engines.

First, we'd like to send a giant horn-honking shoutout to all the incredible fathers in our ranks and throughout the community. We hope your Father's Day was a smashing success, complete with plenty of relaxation, great food, and absolutely no comments about your questionable fashion choices. You dads are the true ring-masters of the family circus!

Looking ahead, our eyes are fixed on the biggest celebration of the summer—the Fourth of July! This year marks the 250th anniversary of American independence, a truly historic milestone. Two and a half centuries of freedom deserves a celebration worthy of the occasion, and we plan to honor it the only way we know how: with plenty of red, white, blue, and a healthy dose of clown-powered enthusiasm.

While we enjoy the silliness, we also take great pride in representing Tangier and honoring our nation. It's an honor to salute Old Glory from the parade route—even if doing so while wearing two-foot-long shoes requires the balance of an Olympic gymnast.

Speaking of parades, the season is officially in full swing! The tiny cars are tuned up, the horns are ready, and the balloon pumps are working overtime. Keep your eyes peeled for a colorful convoy of Tangier Clowns at community celebrations throughout the summer. You may even walk away with a custom balloon creation that resembles a bald eagle—or at least something vaguely bird-shaped.

Our roster continues to grow, but just like a clown car, there's always room for one more! We're always looking for enthusiastic Shriners who have a heart for our philanthropy and aren't afraid to laugh at themselves.

What's in it for you?

- The Wardrobe – Shoes so large they deserve their own parking space and pockets big enough to carry half the parade route.
- The View – A front-row seat to community celebrations across the region, often from the seat of a miniature vehicle.
- The Calling – The opportunity to serve as an ambassador for Tangier while bringing smiles and laughter to children and families. Few things are more rewarding.

So why let that inner clown stay hidden? Trade the business suit for suspenders, join the fun, and help us spread smiles throughout the community.

CORVETTE CLUB

by Trent Pearce

The Corvette Club is looking forward to a busy and exciting month ahead. Members are preparing to participate in the July 4th parade as we celebrate our nation's 250th anniversary, and we are excited to showcase our great Tangier Shrine club as part of this special occasion.

The club is also planning a summer picnic, and we hope to see many members and their families come together to enjoy fellowship, food, and good company outside of our regular meetings.

Preparations for CSSA continue to move forward, and the club is looking forward to a strong turnout next month. We always welcome new members who share a passion for Corvettes and camaraderie. Join us on the second Monday of each month at 6:00 p.m.

Corvette Trivia: As America celebrates its 250th anniversary, it is fitting to recognize one of the nation's most iconic automobiles. The Chevrolet Corvette is often called "America's Sports Car" because it is the longest-running continuously produced sports car in U.S. history, with production spanning more than seven decades.

Hospital Benefit Days

Tangier Shriners spent the day collecting donations for Hospital Benefit Days, helping support the life-changing care provided by Shriners Children's. Your generosity helps bring hope, healing, and brighter futures to children and families who need it most.

Honoring Those Who Served

The Tangier Legion of Honor, alongside local Boy Scouts, came together to continue a meaningful Memorial Day tradition—placing hundreds of miniature American flags on the west lawn of Tangier Shrine in tribute to our veterans, active-duty military, and patriots. Thank you to everyone who helped make this tribute possible.

Parade season is officially in full swing, beginning with the Shrine Bowl festivities in Kearney. Float members Josh Mia and Mike Donham proudly represented our unit as they accompanied the Hospital Float during the festivities.

By the time you read this, plans will hopefully be finalized for our upcoming appearances at Papillion Days on June 20 and the North Bend Parade on June 28. We look forward to another great season of representing Tangier and supporting our communities.

We would also like to extend our get-well wishes to Float members Noble Ken Nisley, Noble Dave Linn, Lady Cindy Nisley, and Lady Beverly Donham. We hope each of you enjoys a speedy recovery and look forward to seeing you again soon.

Celebrating July birthdays are Noble Ken Nisley and Lady Anita Peck. Best wishes for a wonderful birthday month!

Congratulations as well to Noble Stan Hale and Lady Carol Hale as they celebrate their wedding anniversary in July. We wish them many more happy years together.

MOBILE NOBLES

by *Curtis Pennewell*

Hey Parade Lovers & Adventure Seekers — It's Go Time!

The wheels are turning, the horns are warming up, and the Mobile Nobles are rolling into an exciting month of summer parades. We can't wait to see all your smiling faces along the route—stop by, say hello, and give us a wave. Your enthusiasm keeps our train chugging strong!

Here's where you'll find us this July:

-July 4 – Ralston Parade
-July 25 – Carter Lake Parade

We'll be out there laughing, waving, and spreading that classic Noble cheer. Whether you're marching, riding, or cheering from the sidelines, we hope you'll join in the fun.

See you along the parade route!

Sat Ra Temple

by *Jean Goble*

Our members have been very busy!

On May 31, we attended the Show N Shine Car Show and had the honor of selecting a winning vehicle. This is an event we look forward to and participate in each year.

Members from the United States, Canada, Brazil, and Bolivia gathered in beautiful Victoria June 7–11 for the 110th Supreme Session of the Daughters of the Nile.

Attendees enjoyed reconnecting with longtime friends, making new acquaintances, and celebrating the organization's rich traditions and accomplishments.

Tangier proudly welcomed five new Nobles into Tangier Shrine!

It was an exciting evening as these new Shriners officially joined our fraternity. We look forward to getting to know each of them and seeing the many ways they will contribute to our organization. Please join us in welcoming our newest Nobles—we are excited to have them on this journey with us!

MOTOR A

by *The Scribe*

Dang nab it! The La Vista Parade saw the thunderous sound of the high-performance '57s and their ever-present horns replaced by the pitter-patter of raindrops. What a disappointment! The Motor "A" drivers are hopeful that logistics can be worked out to allow us to perform our precision routines at the Papillion Parade. It seems the local constables aren't too keen on letting us unload at the parade finish and drive our cars along the route to the lineup area.

If you're looking to join a unit or club, consider checking out Motor "A." We're a low-key group that enjoys good fellowship and plenty of fun. Better yet, if you've ever wanted to drive one of our famous '57s, we currently have a car available!

If you're interested in learning more, attending a meeting, or inquiring about the available '57, please contact Captain Scott Christensen or Matthew Ellis.

Please note that there will be no meeting in July. Our next gathering will be held in August at Pizza Ranch.

July birthdays include Kresha Connolly on the 14th and Gene Bowman on the 23rd. Congratulations and best wishes to both!

We also extend happy anniversary wishes to Jimmy and Kresha Connolly, who will celebrate their anniversary on July 31.

Until next month, if you hear the rumble of lawnmower engines and the honking of horns, you'll know the Motor "A" Team is headed your way!

VINTAGE IRON

by *Jack Taff*

I would like to begin by thanking all of our members who have participated in our activities over the past couple of months. Your dedication to Tangier and Vintage Iron is greatly appreciated and helps make our club a success.

Vintage Iron meets on the fourth Tuesday of each month in the lower level of the Shrine Center. Any Noble with an interest in classic vehicles is welcome to attend. If you own a vehicle that is at least 25 years old, we encourage you to join our club and participate. Even if you don't currently own a vintage vehicle, a genuine interest in classic automobiles is all that's needed to become involved.

With the Shrine Bowl Parade now behind us, our attention turns to the upcoming parade season. Our next two appearances are:

Papillion Days Parade – Sat, June 20
Lineup: 9AM • Parade Starts: 10AM

Old Settlers Parade, North Bend – Sunday, June 28
Lineup: 1PM • Parade Starts: 2PM

I am confident that our Vintage Iron members will once again turn out in strong numbers to support our Potentate and his goals.

As a reminder, my goal is to have at least five Vintage Iron vehicles participating in every parade. We also have open seats available for anyone who would like to ride along with one of our members. This is a great opportunity to bring a prospective member and introduce them to the fun and fellowship of Vintage Iron. In fact, I once again had a prospective member riding with me in North Bend.

Finally, thank you to all the Nobles who helped with the Shrine Hospitals Benefit Car Show held at the Shrine Center on May 29. Members from many clubs and units contributed their time and effort to make the event a success. Your support and teamwork continue to demonstrate the strength of our fraternity.

We look forward to seeing everyone at the upcoming parades and meetings.

Shriners Out and About

A Little Rain Didn't Keep the Tangier Shriners Away!

The LaVista Days Parade was a fantastic morning filled with community spirit, smiles, and plenty of waves along the parade route. We loved seeing so many friends, families, and supporters come out to celebrate with us. Whether you rode, walked, volunteered, or simply cheered us on from the sidelines, thank you for being part of another memorable LaVista Days celebration.

Thank You for Supporting the Tangier Shriners Hospital Benefit Days Show & Shine Car Show!

Tangier Shriners would like to thank everyone who participated in, attended, sponsored, and volunteered at this year's Hospital Benefit Days Show & Shine Car Show. Your generosity continues to make a difference in the lives of children and families who depend on the specialized care provided by Shriners Children's. Thank you for helping us turn horsepower into hope and making this year's Show & Shine Car Show one to remember!

It's a wrap for the 68th Annual Nebraska Shrine Bowl!

From the Awards Banquet and Parade to an inspiring game on the field, the Shrine Bowl showcased the very best of fellowship, sportsmanship, and service. Thank you to all the volunteers, supporters, players, coaches, and fans who helped make this year's Shrine Bowl a tremendous success.

Let Us Show You How Home Remodeling is Supposed To Be

Chad and Kory grew up Elkhorn in the 80's riding big wheels together. Now they have traded in their big wheels for Black Carp's Trucks and remodeling homes in the Omaha Metro Area.

Keeping homeowners happy, comfortable, and informed is an integral part of our business practices. We are a locally homegrown business that will be here for you when you need us and make your remodeling experience an enjoyable and affordable one that you will be able to enjoy for years to come. With Carp's you get the advantages of a large one-stop shop with the customer service you might find at a smaller company. We started with one man and an idea of how, to do things the right way the first time around.

Our customers contact us when they want to deal with one company that can take care of all of their service and project needs.

We don't profit by overcharging and getting cheap labor and moving on to the next project. We believe that it is vital to have homeowners involved in every step of the process.
