TANGIER FALL CEREMONIAL

OCTOBER 17

Celebrating New Nobles!

Potentate's Message

I want to thank every one of you who helped at the Spaghetti Feed. We really came together as a team and did a great job. We are unstoppable! Jimmy Hirl, you were on it. Thank you!

The last parade for 2026 is behind us. I am honored to be your Potentate and to have represented you in the parades this past year. I will have to figure out how to parade next year, as it was and always will be a great time! No matter how you participate, it is always a great experience.

At this month's **Stated Meeting, we will be honored to have Colton Metzler**, our International Patient Ambassador, share his experiences with us on a whole different level. I am really excited to have him and his family take time out of their schedules to come to Omaha and spend time with us. Please contact the office to reserve a dinner table, then come to our open meeting, or just come to the meeting. This will be one of our best meetings yet.

October will be a busy month, with lots going on, including **Vehicle Discovery Day on October 3rd**. Come check out all the different vehicles and talk to potential new Shriners. Please come and represent Tangier at this event!

The **Fall Ceremonial is on October 17th**. If you are a new Noble, please come and participate in the day. If you have already been through the Ceremonial, please come support these new Nobles. All Nobles, please come and show your support! Lady Sheryl is hosting a Sip & Paint, which is open to all women.

The **Elvis Show is October 24th**. This show never disappoints, and he has a small band accompanying him. This will sell out, so if you want a ticket, get it now. Brian and Amy Jones do a fantastic job putting on this event. It doesn't disappoint, even if you are not a fan of Elvis. It is a great show, and you get a great meal while supporting Tangier!

Trunk or Treat is October 31st. What a great way to give back to the community and children from all over. It is a great time, and it's so rewarding to give a child a little bit of fun and happiness in their life. Hopefully, you have fond memories of trick-or-treating. Let's help them have some, too.

Feztival of Trees preparation is well underway, and we will be making our fan-favorite cookies. This will start on October 18th and again on the 25th. It starts at 6:30 a.m. and runs all morning. You can come in and help anytime, and it should be done by noon. Come down and help out; everyone can help! The schedule for all of this is in the Hot Sands.

Bar: We are changing a few things. We have some new bartenders, so come say hello and make them feel at home. We also have some different bar foods and frozen pizzas available, so if you need something to eat while you are here, we can help you out.

Hamburger Nights in the first half of this year were fantastic! They start back on October 7th, and Chicken Fried Steak is the special. Come and check out the great specials that change every Wednesday. They are a crowd-pleaser! Read the Tid Bits each week for updates and special changes. Be sure to invite your family and friends and tell them about these specials each night.

Special note: Our Chief Rabban, soon to be our Potentate in 2027, has an **Trip Info Meeting on October 6th** in the Main Room at 7:00 p.m. Come support him and travel with him. I'm sure he has done his research, and you will have a great time on his trip in 2027. Please come and check it out, support him and Tangier!

Our East property has taken shape, and the parking lot looks great. We are working on the painting as weather permits, and we have a lessee for the gun range area. We are in talks with others about renting out the south side of the building and other areas. Stay tuned—exciting times at Tangier! I am sure everyone has noticed, but we now have nice access between the lots. The parking lot looks great, the grass is coming back nicely, and we will soon mulch around the trees.

Remember, meeting dates are limited in November due to the Feztival of Trees. Be prepared to take meetings off-site. Our **November Stated Meeting** date has changed. We always pull ahead for Big Red Dinners, but this meeting is on **Wednesday, November 4th**. I am told the ladies' meeting is, and always has been, a fun night, so please take note!

Remember to follow the Tid Bits weekly for changes. Check your email for updates, contact the office, or contact the Divan. We will always try to get the message to everyone every week with the best information we have, but things do change.

When you stop in the office or have a moment, thank them for their dedication to the Shrine and for making it better. They really try hard to be fair and balanced to all clubs and units with everything they do.

Please remember one thing. There is a phrase that I both agree with and disagree with a lot: ***"This is the way we have always done it."*** Some of that is right, but sometimes it doesn't work. Think about it.

My term as your Potentate is coming to an end soon. This year has gone by fast, but we still have a lot to accomplish. As always, support Tangier. I personally find it very rewarding to be a member and to serve you as your Potentate in 2026.

Thank you for allowing me to serve you.
Fraternally,

Terry J. Nelson

AMATEUR RADIO
by Kevin Potter

"CQ! CQ! CQ! This Kilo Foxtrot Zero Victor Romeo Hotel (otherwise known as Tangier Amateur Radio Club President Kevin Potter, call sign KF0VRH), listening."

(This is the standard transmission used to start a conversation over HF radio frequencies. "CQ" is an amateur radio term for a general call to any ham radio operator, meaning "seeking you." It is used to initiate a conversation over the airwaves.)

The Tangier Amateur Radio Club is off and running after years of being dormant. We are up to 14 Nobles as members and several ladies. We have a current Mason and a prospective Mason attending meetings. Hopefully we will have a new Noble and new Mason/Noble from the ham radio ranks!

Our meetings are open to Nobles and guests—whether you are currently licensed or not, an active or inactive ham, or simply interested in learning more and getting your license. All are welcome! Membership is open to ANY Noble—an FCC amateur radio license is NOT required to join. We meet on the fourth Monday of every month in the Card Room at Tangier.

If you have a Shrine or appendant body sponsored event where two-way radio communication would be beneficial, reach out to any ARC member. Tangier ARC has helped the Wing Fezt Committee, the CSSA Director General and Parade Marshal, and the Spaghetti Feed with communications during their events and parades. We look forward to assisting the Feztival of Trees.

Forging partnerships and friendships is an important part of the ham radio community. Tangier ARC members have participated alongside the Southwest Iowa Amateur Radio Club (SWIARC) and Southwest Iowa Nebraska Radio Club (SwiNE ARC) in events like Parks on the Air (POTA) activation at Prairie Rose State Park near Harlan, Iowa, last month. The next major event is Winter Field Day—more details to come!

Yours truly has been serving as Net Control Station for the Pottawattamie County, Iowa, Amateur Radio Emergency Service (ARES) weekly training and information net. More to come on that next month.

That's all I have for this month.

("73" is the universally recognized sign-off at the end of a ham radio contact and means "Best regards.")

ARAB PATROL
by Jason Thompson

Happy Autumn, everyone!

With September behind us, our annual Spaghetti Feed is officially in the books! A huge thank you to everyone who came out to serve, support, and enjoy a great meal together. Your participation and hard work are what make these events such a success.

October is shaping up to be a packed month for Tangier Shrine. The fun kicks off with the return of our popular Hamburger Nights—mark your calendars for Wednesday, October 7, when the Arab Patrol takes over the kitchen! Be sure to also keep an eye out for our Fall Ceremonial, Elvis performance, and family-friendly Trunk or Treat. Check the full Tangier calendar so you don't miss a thing.

As the days grow shorter and November approaches, it's also time to gear up for the Feztival of Trees. The committee is actively looking for volunteers, and there are plenty of ways to lend a hand. Whether you're a baker, a ticket seller, or ready to serve in the café, your support makes all the difference. Reach out to the committee today to see where you can jump in!

As the leaves change, let's make the most of everything this season brings. We look forward to seeing everyone at our upcoming events as we continue creating great memories together.

Best of life to you – Peace.

ARBOR SHRINE
by Don Larson

Arbor Shrine Club has concluded its 2026 parade season with the AppleJack Parade. The firetruck will be put away until the 2027 Arbor Day Parade.

What a great year it has been! The firetruck was full for most of the parades and it was wonderful to see many Nobles and families participating in the parades together.

At a recent club dinner meeting, more than 20 people were in attendance. The Club set a goal of having 20 members attend, and that goal was achieved in 2026!

We have Nobles and Ladies who have not attended a dinner meeting, and we'd love to see you. Even if you can't attend regularly, coming to just one meeting a year would be wonderful. We miss seeing you!

At the meeting on the last Tuesday of this month, the officers who will serve in 2027 need to be elected and appointed. Tangier has requested that the names of the 2027 officers be submitted by the end of October.

Feztival of Trees - Arbor Shrine Club is once again sponsoring a tree at the Feztival of Trees and is looking for donations to help increase the value of the tree. Donations can include gifts, gift cards, scratch-off tickets, or other items.The higher the value of the tree, the more tickets we hope to collect for it!

If you know a Noble who may be interested in joining Arbor Shrine Club and would like to learn more, invite them to attend a meeting. We'd love to meet them!

AUXILIARY
by Pam Christensen

Our last meeting had 18 members in attendance! We shared all the wonderful things we have been able to accomplish with your continued support.

At the Sportsman's Raffle, we raffled off a beautiful Nebraska red truck, which brought in $525 toward wheelchairs. The Wing Fezt sales of treats added another $421, bringing our total to $946!

Thank you to everyone who has supported the Auxiliary and helped make these efforts possible. We truly appreciate you!

A Little "This & That"

"This and That" of Elkhorn, owned by Jan and Leroy Fuglsang's daughter, recently donated items for us to sell. They are currently updating their business and will remain in the same building, but with a new name, new color, and new styles!

The business will now be called Sensia, and the new awning will be green.

Be sure to stop in, say hello, and tell them the Auxiliary sent you!

CHANTERS

by Bernie Hauber

The Chanters congratulate Tangier on a successful Spaghetti Feed last month! We plan to help as needed during the Tangier Shrine Ceremonial on October 17th.

The Chanters are also beginning to practice Christmas carols for our annual Christmas Tour, which is still in the planning stages. We're looking forward to sharing holiday music with our Masonic family and friends!

We practice nearly every Monday (probably not Columbus Day) in the Main Room at the Shrine Center. Practice usually begins promptly at 7PM.

Any Noble with even a small interest in singing—and a willingness to join us—is encouraged to contact any Chanter, leave a message at the Shrine Center, or simply show up at one of our practices.

And remember: Encourage membership! We are pleased to announce that the Chanters will cover the 2027 Tangier Shrine dues for any new Chanter who joins us.

The Chanters are the vocal music ambassadors for the Shrine. We enjoy performing for our Masonic family and always looking for other venues where we can spread the word about our Shriners' philanthropy.

If you have an event request or another idea for where the Chanters might perform, please contact any Chanter or leave a message at the Shrine Center.

"The songs are inspired by my experiences. Sometimes they are more than my real-life…" - Melissa Etheridge, singer

CORVETTE CLUB

by Trent Pearce

The Corvette Club is still riding the excitement from another great trip to CSSA! It was a wonderful opportunity to showcase our club, spend time with fellow Shriners, and recognize the dedication our members put into preparing throughout the year. We hope to carry that enthusiasm into the final months of the year as we continue participating in club activities and community events.

As parade season comes to an end, we look forward to the many upcoming Shrine events and activities where we can continue supporting Tangier and enjoying the fellowship that makes our club so special.

As always, we welcome anyone interested in joining the Corvette Club! We meet on the second Monday of each month at 6:00 PM, and we invite everyone to stay afterward for good conversation and camaraderie.

Did You Know? Cruise control was invented in 1948 by engineer Ralph Teetor, who was blind. He came up with the idea after noticing that his lawyer would unintentionally speed up and slow down while talking, making long drives uncomfortable. Teetor's invention eventually became one of the most common and appreciated features in modern automobiles.

CLOWNS

by Michael Hernanez (aka Wee Woo)

Dust off your broomsticks and check your shoe polish because October has arrived! The weather is cool enough that our noses won't slide down our faces, and spooky season is officially here.

October gives us plenty to celebrate with National Boss's Day, Sweetest Day, International Sloth Day, INTERNATIONAL CAPS LOCK DAY, National Bologna Day, National Candy Corn Day, and Halloween!

Halloween is one night when civilians dress in ridiculous outfits, wear terrible makeup, act unhinged, and demand free candy from strangers. Amateurs! We do that all summer in broad daylight—and usually for free.

Now, let's give a massive, horn-honking standing ovation to Tazz, Boing, and Hambone! These legends represented Tangier at Central States Shrine Clown Association competition and brought home awards!

Gentlemen, congratulations! We have to ask, though—did you win awards, or are you secretly building a cabin in the woods? Between the three of you, you brought home enough wooden plaques to cause a regional lumber shortage! And the skit awards? Pure comedy gold. You proved once again why Tangier Clowns are among the funniest crews on two wildly oversized feet! Outstanding job, brothers!

It's only been a few weeks since we put away our marching gear, and the withdrawal symptoms are setting in. We miss the hot asphalt, smiling faces, high-fiving kids, and burning through shoe leather one parade at a time. Our calves may appreciate the rest, but our hearts are ready for next season.

Keep your greasepaint dry, watch out for black cats, and let's make October scary funny!

HOPITAL FLOAT

by Mike Donham

Tangier Shrine Hospital Float

It has been a busy parade season! Our final two parades were held in Plattsmouth and Nebraska City, wrapping up another great season.

The Schuyler Parade was extra special this year when one of our Shrine patients, JaeLeigh, was able to ride on the float. It was wonderful to have her join us!

A big thank you to everyone who was able to attend and assist with the annual Spaghetti Feed on Sunday, September 13. Your support is always appreciated.

Please keep Noble Josh Mai in your thoughts and prayers. Josh recently had an emergency appendectomy and spent time in the hospital receiving IV antibiotics. He is now home but is unable to return to work. I'm sure he would appreciate a card or phone call.

October Birthday Greetings to Noble Forrest Peck!

Howdy, everybody!

KEYSTONE KOPS
by Cpt Travis "Jinxie" Drews

Happy October, everyone!

A big thank you to Officer Tim and Kutie Machelle Pearson for hosting our September Kops meeting. We had a great time and lots of laughs!

Another big thank you to all the Kops and Kuties who helped with the Spaghetti Feed, as well as everyone who helped with the Paddy Wagon and our parades throughout the season. Your time and support are truly appreciated!

We have lots going on this month, including Vehicle Discovery Day, Trunk or Treat, and the Fall Ceremonial. Be sure to watch for email blasts from the Chief and Tangier so you don't miss anything!

At our October Kops meeting, we will be conducting the Line Officer elections. Please plan to attend—your presence and support are greatly appreciated!

Finally, Happy Anniversary and Happy Birthday to all the Kops and Kuties celebrating this month!

See you around the Shrine!

MOBILE NOBLES
by Curtis Pennewell

And that's a wrap on another parade season!

We rolled through town with big smiles, loud laughs, and plenty of Noble spirit—and our train was shining at every parade. What a season!

Now it's time to shift gears and fire up the engines for our 357 Dinner & Raffle coming in March. If you want tickets (and trust us, you do!), reach out to any Mobile Noble. This important fundraiser helps keep our beloved train fueled, polished, and rolling down the tracks year after year.

Ever Dreamed of Joining the Mobile Nobles? Picture yourself cruising through town in our iconic train, waving to the crowds, laughing with the crew, and turning every parade into a memory. If that sounds like your kind of adventure, you're already halfway aboard!

We meet on the first Saturday of every month at 11:00 AM. Or, simply flag down any Mobile Noble you see. We're always happy to welcome new faces, new energy, and new stories to the crew.

So shine up your spirit, bring your best wave, and let's keep the joy rolling and the wheels turning.

See you on the tracks!

MOTOR A
by The Scribe

With the days getting shorter and leaves falling from the trees, there's no doubt that fall has arrived. It also means the little '57s have been tucked away until spring 2027 and the next parade season.

But not to worry! Motor "A" will continue its monthly dinner meetings, where we enjoy each other's company and perhaps even work on some new and intricate parade routines.

We're also looking forward to the Annual Motor "A" Christmas gathering hosted by the Ellis family. And remember, as of October 1, you'll have only 66 days to buy their Christmas presents!

October birthdays belong to Roger McCauley on the 16th and Ron Stites on the 27th. Happy Birthday, gentlemen!

Looking for a club or unit to join? Check out Motor "A"! If you're interested in a small but fun-loving group and would like to parade in our '57 Chevy go-karts, contact Scott Christensen at 402-630-6493 or schriste4@gmail.com.

Due to the Schuyler Parade, Motor "A" did not meet in September. In October, we'll be grazing and meeting at Fernando's, 380 N. 114th Street.

Come join the fun!

RACERS
by JD Welch, Secretary

Greetings from the Tangier Racers!

The summer and early fall parade season went safely and rather well, and we had a great time along the way! The Vintage Iron Show 'n Shine was also a success, and now we're heading into the spooky month of October.

There are plenty of fun events coming up, including the Shrimp Feed on October 2, Vehicle Discovery Day on October 3, and the return of Hamburger Nights on Wednesday, October 7. The Fall Ceremonial is October 17.

Our monthly meeting will be held Thursday, October 1, at 7:00 p.m. If you've ever been curious about the Tangier Racers or would like to learn more about the club, we'd love to have you join us!

Come check us out and see what the Racers are all about!

SAT RA TEMPLE
by Jean Goble

Fall has arrived and the excitement of the upcoming holiday season! Along with our regularly scheduled sessions on the first Saturday of each month—except in January, June, and July—we have several fun activities planned for the months ahead.

Our World of Food Tour continues monthly as we explore cuisines from various cultures. We have plenty of social activities including crafts, games, scavenger hunts, and other opportunities for fun and fellowship.

Our next fundraiser will be a Glow Karaoke & Dance Party on October 9, 2026, at 6:00 p.m. A baked potato bar will be served, and tickets are just $15 per person. Each ticket purchased will also enter the buyer into a drawing for a $100 Big Meats gift card!

Raffle items will be available throughout the evening, giving everyone a fun way to participate, enjoy the festivities, and support our fundraiser. We hope to see you !

SHRINE BOWL
by Brad Wood, Secretary

The Shrine Bowl Unit kicked off the season with a strong start as our Big Red Dinners returned in full swing. The first dinner of the year was a great success, filled with fellowship, good food, and plenty of laughs—setting a positive tone for the months ahead.

We kept the momentum going at the Millard Parade, where our Unit proudly represented Tangier. The energy of the crowd, along with the smiles and waves, reminded us why these community events are so special. They allow us to showcase our Shrine spirit while strengthening our connection with the community.

To wrap up this busy stretch, several brothers gathered for the Unit Picnic, enjoying a relaxing afternoon filled with good food, camaraderie, and plenty of stories. It was the perfect way to unwind, enjoy one another's company, and celebrate the teamwork and fellowship that keep the Shrine Bowl Unit thriving.

VINTAGE IRON
by Jack Taff

I'm excited about the support we've received and the way everyone has made a strong effort attending parades. It's a great feeling to have a wonderful group of Masonic Brothers around me, and I truly appreciate everyone's dedication to Tangier and Vintage Iron.

Thanks to our members who have participated in our activities over the past few months. Your time, enthusiasm, and commitment make Vintage Iron such a great club.

Our final parade of the season was the Nebraska City Parade on September 19th. Our goal is to have a minimum of five cars at each parade. We continue to have open seats for anyone who would like to ride along with a Vintage Iron member.

Our next big event is the Vintage Iron Car Show on September 27th, which serves as our club's annual fundraiser. Registration is from 9AM to 11:30AM, with awards presented at 3PM. We hope to see a great turnout!

Looking ahead, we'll be participating in the Feztival of Trees, followed by our Club Christmas Party on Saturday, December 5th. More information about the Christmas party will be coming soon.

Vintage Iron meets on the fourth Tuesday of each month downstairs at the Shrine Center. Anyone is welcome to attend a meeting and learn more. If you have a vehicle that is 25 years old or older, you are welcome to join us and participate. Even if you don't own a vintage vehicle, all you need is a serious interest in vintage vehicles to become part of Vintage Iron.

Finally, a big thank-you to all the Nobles who helped with the Annual Spaghetti Feed. Vintage Iron had a great showing of members working our shift, and it was wonderful to see so many clubs and units putting in a tremendous effort to make the event a success.

Thank you again to everyone who continues to support Vintage Iron and Tangier Shrine. Your participation and fellowship are what keep our club moving forward!

Shriners Out and About

That's a Wrap on Summer Parade Season!
Tangier Shriners proudly participated in our final four parades of the season—Millard, Schuyler, Plattsmouth, and Nebraska City! We walked, rode, and clowned around our way through each community while enjoying the cheers and smiles along the parade routes. A HUGE thank you to ALL of our Nobles, Ladies, families, and friends who represented Tangier in any of the parades this season. Your participation was truly appreciated! Until next parade season… keep the Fez shining!

3 Years of Pasta Perfection!
Tangier Shrine served up another year of great food, camaraderie, and fellowship at our annual Spaghetti Feed!
There were plenty of full bellies, happy faces, and good times shared with family and friends. A huge thank you to everyone who came out to enjoy a delicious meal and to all of the Nobles, Ladies, volunteers, and supporters who helped make this longtime Tangier tradition another success!

CARP'S

Chad and Kory grew up Elkhorn in the 80's riding big wheels together. Now they have traded in their big wheels for Black Carp's Trucks and remodeling homes in the Omaha Metro Area.

Keeping homeowners happy, comfortable, and informed is an integral part of our business practices. We are a locally homegrown business that will be here for you when you need us and make your remodeling experience an enjoyable and affordable one that you will be able to enjoy for years to come. With Carp's you get the advantages of a large one-stop shop with the customer service you might find at a smaller company. We started with one man and an idea of how, to do things the right way the first time around.

Our customers contact us when they want to deal with one company that can take care of all of their service and project needs.

We don't profit by overcharging and getting cheap labor and moving on to the next project. We believe that it is vital to have homeowners involved in every step of the process.
