Potentate's Message

Let's start by saying thank you to everyone who supported the Shrine Bowl game and all its festivities throughout the course of May and first part of June! Shrine Bowl Inc. did a fantastic job as usual. Our other Shrine units and clubs also played a very big part in making the whole experience so special to all of the players and their families. It was a terrific game and wonderful weekend for all.

The Divan, Lady Pam, and I all want to thank everyone for all of their hard work and efforts throughout Shrine Hospital Benefit Day! I know the weather wasn't the best (seems to be my theme this year!) but, everyone braved the weather and collected a lot of money that we otherwise would not have for our Hospital and Transportation Fund! Thank you to Travis, Bob, and Charles for organizing it and working with all the stores. Thank you to the Provost for making the rounds and collecting money throughout the day. And thank you to the Norton/Garner bunch that headed up the count room! And of course to the units and clubs – this day would not be possible without all of your hard work!

I would also like to say a special thank you to one individual who sometimes might think we forget about him during the stated meetings, but we most certainly do not and very much appreciate all of his hard work and efforts he puts into making our Shrine Hospital Benefit Day car show such a successful event! Don "Smiley" Streeter, thank you, thank you, thank you! Another great one is in the books, and I'm hoping you'll be back in 2020 to do it again!

I would like to thank all the Divan members who have helped with the cooking and participation of our Blue Lodge visits so far this year. We have had tremendous feedback from the Lodges for coming out to do this. We have a few left on our calendar and are looking forward to each and every one!

There are two things I want to remind everyone of. Number one: there will not be a Shrine Soccer Classic this year due to some changes in the format. However, the committee is gearing up for a bigger and better year next year and are expecting much success and better results because of it. The second thing: due to the budget having taken such a beating this year, we will not be having a Shrine picnic. However, we do have something else in the works in place of it. So please stay tuned for more details on that!

The Divan and I want to thank everyone who has made it out to the parades so far this year. We want to thank everyone who will be at the future ones as well. Let's continue making them fun for all and getting our name out to the public!

Coming up fast is CSSA. The dates are August 22nd through the 24th. Please get with the office ladies to make reservations. The hotel we are staying at is the Delta Inn, in Sioux City. I have lots of rooms reserved at the moment, but with it being such a close drive, they will go fast! So please RSVP as soon as you can and we look forward to having a wonderful time and bringing back lots of awards!

Coming up in September, Lady Pam is setting up a mystery trip. More details to follow on that. We are also setting up a bus trip to the Shriners Hospital for Children – St. Louis for a tentative date of September 27th and 28th. Details and cost will be coming soon for both of those events. Stay tuned.....

With that, thank you again for everyone's hard work and efforts throughout the year so far! We wish you a great start to your summer and camping seasons and look forward to seeing you all soon!

Arab Patrol

By: Jim Huebner

May was a bit of a slowdown from the hectic pace of the start of Spring now that our Rib Feed is behind us. Once again thanks to everyone from the Patrol, nobles, and their ladies for a successful Rib Feed event. Crowd could have been bigger but a lot of things going on impacted the number of Shriners attending.

The winners of our cash raffle during the event were: \$250.00 Jim Hockett; \$100.00 Candy Hock-Stark; \$50.00 Jerry Nightingale.

On Sunday May 5 the patrol sponsored Cole Aniello and his family at the Shrine Bowl Dinner. A great event every year and Cole is an outstanding young man. We also had our "Valentines Dinner" at Charlestons that had been postponed by inclement weather back in February.

Going through some old newsletters I found that we have a few notable wedding anniversaries for patrol members in May that are deserving of mention: 5/24/58 – Len and Bev Falk; 5/25/79 – Kirk and Shirley Williams; 5/30/81 – Rodger and Marty Fawcett. Sorry if I missed any others. Will try to include these in future articles.

Looking forward to warm weather and parade season. See you around.

Clowns

By: Scott, AKA "Canon"

Summertime is here... Time to get your Clown Faces on. We are looking forward to a very busy summer, with parades, trivia night, and hosting the June stated meeting.

Trivia Night, a Clown fundraiser is July 13th. Doors open at 6:00 pm; Trivia starts at 6:30pm. Open to players 10 years old and up. Babysitting will be provided. Bring your own food – Tea and Lemonade will be provided. \$10 per person.

June 13th the Clowns will be decorating and serving the June "Stated Meeting". Dinner is at 6:15pm, meeting at 7:30pm. Babysitting is available.

"Bubby Ball" will be August 10th at 8:00 am at Werner Park. It is a great time. Bring your running shoes, you will get your exercise from this gig.

A huge "Thank you" for all that showed up and cleaned the fire truck barn/storage unit. We found stuff from when Jimbo was a young clown. Great memories! We also found old pictures which we are going to have scanned, so we never lose those moments. It shows that when we come together as a unit, we can accomplish anything.

Why did the orange stop in the middle of the road? He ran out of juice!

Arbor Shrine

By: Don Larson

The Arbor Shrine Club would like to thank everyone who purchased onions for their fundraiser. Anyone who feels that they have a problem or are not satisfied with their order, please contact the person they ordered from so it can be corrected.

The parade season has started with the first parade on Arbor day, thanks to all that attended. Upcoming parades: June 29th, Weeping Water – line up at 9:00 am, parade at 10:00 am; July 4th, Ralston – line up at 12:00 noon, parade at 1:00 pm.

Here are some general onion tips. To chop an onion without letting it "get away" cut it lengthwise in half from root to stem; peel. Place the flat cut surface down and dice lengthwise several times. Then cut crosswise. One medium onion will make approximately 1/2 cup chopped onions. If peeling onions makes you cry, try doing this job under cold running water. Onion juice is no problem if you draft your lemon squeezer. You'll find "squeezing" an onion twice as fast as grating it. For 1/4 cup or more, hold juice over glass measuring cup for exact amount.

Arbor Shrine Club Nobles and Ladies with birthdays in June are Dean Jeanneret, David Linn, and Randy Fleming.

Legion of Honor

By: Jeremy M. Martin P.C.

I can't believe that it is already June! Where has the time gone!? By the time this comes out, Shrine Bowl is fast approaching or happening.

LoH has returned from Moilia in St. Joe and helping their LoH celebrate their 75 year anniversary.

If you were unable to get a flag put out in time for the Memorial Day flags at the front of the Shrine there is plenty of time before November. Please talk to your friendly LoH rep and we can get you set up.

With parade season on us, we need the help of all our membership to ensure we have a great showing at each parade.

I would like to encourage each and every Shriner who is a Veteran to come out and check us out. Even if you aren't a Veteran you can still check us out and join if honoring our nation's flags is something near and dear to your heart. As always, LoH meets on the first Tuesday of the month at 7:00 pm at the Shrine downstairs.

Boone & Crockett

By: Charlie Binge

June means Parades, Bowl Games and Fishing. The Parade season is in full swing. Boone & Crockett does not march as a club but it's members are also in other units and clubs and are active in the parades. The Blair parade is on June 8th, Papillion on June 15th, and the Red Oak parade on June 22nd. The Shrine Bowl is on Saturday June 1st at the University of Nebraska Kearney campus.

Our Spring Turkey hunters did well on the opening weekend despite Mother Nature. It was hard to get to the hunting area north of Bassett but good times were had by all.

Our fishing members are reporting fishing is slow right now due to high water levels and the fish are scattered. They state they expect it to be much better in the near future.

Thanks to the Boone & Crockett members who worked the Shrine Hospital Benefit Day. It was a cold day and I was informed "two coats were not enough to keep warm." Again, many thanks to those who stepped up.

The Boone & Crockett Annual Fish Fry is coming up on July 27th. Keep the date open for some of the best fish and "fixings" in town. Tickets for the feed will be available from club members or from the Shrine Center Office. All monies Boone & Crockett raises from its Gun Raffles, Fish Fry, and Wild Game Feeds goes towards purchasing the vans we use to transport our kids to the Hospitals.

B&C meets downstairs at the Shrine Center the first Thursday of the month at 6:30 pm for a short meeting and dinner afterward. The next meeting will be on June 6th. Come on down and bring a brother to meet our brothers.

THINK MEMBERSHIP - Visit your blue lodge and bring a brother into the Shrine.

Road Runners

By: Stanley Garner

Tangier Road Runners made six trips to the Shriners Healthcare for Children – Twin Cities in April, ferrying six patients thereto. Also, three trips were made to Rochester to transport two patients to and from there. Twelve patients traveled to the Twin Cities by family conveyance, and one traveled to Chicago similarly. One patient traveled to Cincinnati by commercial flight.

April drivers included: J. Riddle, M. Waller, A. Penner, M. Dreier, G. Eckert, R. Lyon, J. Gathmann, R. Krause, R. Waller, D. Robinson, D. Deming, N. O'Donnell, B. Garner, C. Crawford, M. Brooks, and M. Hatcher.

Thank you, all, for your "patient" driving!

Chanters

By: Bernie Hauber

Last month, a quartet of Chanters (the "In-Chanters") sang for Nebraska Order of the Eastern Star's Grand Session in Kearney during the installation of Grand Officers on May 16. The Chanters will perform at the National Sojourners Ladies Luncheon on Wednesday, June 5, at the Regency Marriott Hotel, 10220 Regency Circle in Omaha. Our performance time is about 12:30 pm.

We all know that Tangier is in the second month of parade season. Although the Chanters do not march, we support those units who participate and are "Proud to be a Shriner." We have often seen how you portray our ideals of fun, frivolity, camaraderie, patriotism, and philanthropy by putting your "best foot forward." We wish you all the best and especially safe travels for those of you going to the Shrine Bowl on June 1.

There was discussion about possible Chanter performances this summer (July, August and September). These include performances at local churches (currently August 4, 11, 16, and 25) and other events. More specific dates, times, and locations will be detailed later. This illustrates that there are often public and Masonic Family events, and if you want us to sing at such events, your request should be received early to verify our availability.

The Chanters are taking a "vacation" break from their usual weekly meeting and practice schedule in June. We plan to resume practice on Monday July 1 in the Main Room at the Shrine Center. We usually start practice promptly at 7:00 pm. Our membership could always use a boost. Any noble with even a small interest in singing and a willingness to join us should contact any Chanter or leave a message at the Shrine Center. That's my update for June.

"There is the happiness which comes from creative effort. The joy of dreaming, creating, building, whether in painting a picture, writing an epic, singing a song, composing a symphony, devising a new invention, creating a vast industry." Henry Miller (American Author)

Corvette Club

By: John Shanks

Greetings from the Tangier Corvette Club. Summer is fast approaching and parade season is in full swing. It is great to see all of the unit and clubs in the parade line up. The car show is coming up at Tangier and the Corvette Club always has a good showing of cars. Stop down and say hi to all of us. As always, we are looking for new members. If you know of anyone that would be interested, you can contact John Shanks at 402-689-7375

Daughters of the Nile

By: Queen Karen Clopton

Greetings from Sat-ra Temple #59. We have been busy with fundraisers and sessions! Our first quarter Auction was a big hit! You won't want to miss our next one this winter! Also, our card party was a lot of fun with a very nice lunch and lots of door prizes. We held our first ceremony of initiation for two new members. All our officers did an outstanding job! No sessions in June and July however, we do have two fundraisers: DIVA DAY July 21st 11:00 am – 4:00 pm with lunch, massages, vendors, and much more. Aug 11th is our Kids Carnival. This is also our community awareness event with the Child Identification Program, games, and face painting. We need lots of volunteers and donations! Remember, we also invite our local Shriners Hospital patients, so I hope everyone will help in some way. Please contact PQ Angie Huebner at 402-699-0213 if you can help.

Our membership committee has many fun things planned. We will be meeting the 3rd Thursday of the month at 6:30 pm for dinner/meeting. Look for more information on restaurant locations. We are looking forward to engaging our members in fun activities and encouraging others to join. Information will be posted on upcoming outings for members and family. Visit our website <https://satratemple59.com>.

Have a great summer and I hope to see you at session or one of our events!

Director's Staff

By: Mel Morton

In May there were a lot of events and I would like to thank everyone that participated in the events. What a fun time everyone had at the Dueling Pianos, followed up with the Shrine Bowl Players banquet, parades, and the Beyond the Field Experience. What a great time our patients had with the players. If you missed this, you missed the true meaning of what we support.

June, the sixth month of the year. Wow time flies and we have plenty to keep us busy. The Shrine Bowl parade and game is on the 1st followed right up with Show N Shine on the 2nd. Then parades: Blair on the 8th, Papillion on the 15th, and Red Oak on the 22nd. At the end of the month Imperial Session starts on the 28th. Plus, we have our regular schedule with the stated meeting on the 13th and the blood drive on the 15th. Whew, enough to make you want to take a breather but July will keep this pace up.

This month we celebrate Father's Day. Happy Father's Day to all of our fathers. Some of our fathers either continued or started our Shrine traditions. They have led us to be upstanding men of our communities that support the world's greatest philanthropy. If your father is still living, make sure you give him a call or better yet spend the day with him.

A couple of things coming up in the future are CSSA in August at Sioux City and the lady's mystery trip for our ladies in September. Both will be a great time so mark your calendars and watch for information on these events.

If you are interested in seeing what the Directors Staff is all about, contact any Directors Staff member and join us at our monthly meeting. We meet on the fourth Monday of every month in the lower level the Shrine at 7:00 pm, and our ladies meet at the same time. Support the divan, other units and clubs, your blue lodge, and other masonic organizations. And always remember it's a great day to be a Tangier Shriner

June! We are well into parade season and thank you all for turning out and supporting and representing Tangier.

The Shrine Bowl game is Saturday June 1st in Kearney.

The Shrine Hospital Benefits Show N Shine is Sunday June 2nd so polish the babies up and bring them out.

Golden Girls

By: Maxine Lorraine Powers

According to the calendar the first day of summer is June 21st. The weather doesn't go by the calendar. I hope you've enjoyed the warm summer days as I have the past two to three weeks.

No chance this month for a three-day weekend as there's no official holiday. Flag Day is observed the 14th of June, which commemorates the date the official design of the American flag was adopted by the Continental Congress. While it's not a national holiday, many people display the American flag to observe it. Flags are an important part of American culture. The Secretary of Defense has a flag and the military services have flags. Since ancient times, flags have been used for many purposes.

We celebrate Father's Day on Sunday, the 16th. If you are blessed by still having your father, I know you will honor him in an appropriate way.

Golden Girls' monthly noon luncheon meeting will be on Tuesday, the 11th. Same place – lower level of Tangier Shrine Center. Peggy Christensen and Barbara Watson will be the hostesses. Golden Girls Peggie Christensen and Jeane Morgan will celebrate their birthdays this month. Happy Birthday ladies.

The parade season for Tangier Shriners is well underway. I hope to see you at one of the parades.

Stay well and enjoy the summer.

Mo-Ri

By: Steve Bugajny, V/P

Greetings and fond salutations from the Mo-Ri members!

It's June and the parade season is under way. Please make it a point to come to as many as you can. Watch the Shriners of Omaha do their thing. The big Blair "Gateway to The West" parade will be on Saturday June 8th. Always a great time and turnout. We are a bit partial to Blair as that is where Mo-Ri got its start.

Speaking of Blair, we had a wonderful dinner meeting in April at the Blair marina. Always excellent food and fellowship. Even for an off month we had close to 65 people there. Come join us. We love to get together roughly once a month at different restaurants for quality food and conversation.

We had a very nice turnout for the Shrine Hospital Benefit Day, manning the front doors at the Fareway Foods in Elkhorn. Nice people at that store. Very accommodating to us, while we collect for the Hospitals.

I am hoping you Moms had a super Mothers day, and Dads, let's hope you do as well in June.

Peace and good health to you all.

Look us up on tangiershrine.com and click Units and Clubs, then Mo-Ri.

Jo De Ra

By: Pat Costello

Fellow Cavaliers, parade season started and what a great turnout we had. We met at the Cabin before the parade and had a great breakfast (they are known for their Eggs Benedict) and what fun we had.

At our monthly meeting, we met at the Phoenix 370. Karen Reese went out of her way to make sure we had the best service. She's a great host and made sure our drinks were never empty. We would like to thank our Illustrious Potentate, Mike Gardner for the round of drinks. Thank you sir. He also gave us an update of past functions and future ones. They're looking for more sponsors for the Festival of Trees. If you have a business you would like to invite to participate, see PP Jim Hirl to get the details. I know that Just Good Meat will be again participating.

We had the privilege of having the wives at that meeting. We had great input to make sure we have a great social gatherings after the parades. More to come in the next newsletter.

Our next meeting will be on June 3, at Tangier Shrine, starting at 6:00. WE NEED MEMBERS! Please bring names that could be consider a worthy member of our club.

Adam's boss pulled up to work in his new Mercedes Benz sportscar this morning, and I complimented him on it. He stepped out of his car, put his hand on my shoulder and replied, "Well, if you work hard, set goals, stay determined and put in long hours, I can get an even better one next year."

Until next time.

Keystone Kops

By: Captain Joe Burtzel

Our parade season is well underway and boy are the trees and grass looking green the day after we drive through. Thank you to all of you that have been able to help at the parades and set up prior – it really does take lots of hands to get the season to run smoothly. So please continue to come and support the group in any way you can. This month we have parades in Blair on June 8th, Papillion on June 15th, and Red Oak on June 22nd, so mark your calendars.

The Shrine Bowl game and parade are June 1st, and we hope all can attend. Kearney is always a great host and it is a wonderful fundraiser for the Shrine Bowl and our kids. It is usually a hot one so be prepared for sun and fun!

June 2nd is the Shrine Hospital Benefit Show N Shine. Please stop out and enjoy some beautiful cars and some socializing with fellow Shriners and our community. It is a great time to see some vehicles that you might not see any other time of the year.

There are a lot of events happening this summer as always, so make sure to read the Hot Sands for dates and times.

I would like to thank Dave Hammond for setting up our Kop and Kutie fellowship night out, as we went to an Escape Room and dinner afterwards. Oh and we all know who got out first don't we guys. Also everyone had a great time at Dueling Pianos and Comedy Night at the Shrine. It was an action packed month!

Let's not forget about our Father's this month. Time to take our dads out fishing, take in a baseball game, or a nice steak dinner (hint hint).

Mobile Nobles

By: Patrick Smith

June is here, and that means parade season is in full swing.

A big thank you goes out to the nobles and ladies who met at Larry Drews' place last month to prepare Old 357 for parade season. Between recent repairs to the club car and your cleanup work, the train is looking as good as ever as we hit the road this summer.

Speaking of the train, did you know this year marks 50 years of Old 357? A little history:

"The Tangier Mobile Nobles unit was established in 1960. The first Mobile Nobles train, "Old 357," came into service in 1970 after the unit purchased and refurbished a replica steam locomotive and passenger car. The train has been a hit ever since, and work to maintain and upgrade it has been a priority. The current passenger car went into service in 1981, and the current engine was added in 2004."

June is always a busy month for the Mobile Nobles and all Shriners. There's the Shrine Bowl in Kearney, and of course a handful of other parades. We hope to see you as we get out and spread the word about our philanthropy.

Be sure to visit your blue lodge and support the other clubs and units. Every little bit makes a difference!

See you down the tracks.

"Manners go a long way, and they don't cost a dime."

Why are they called June Bugs?

June bugs derive their name from the fact that adult June bugs emerge from the soil at the end of spring or the beginning of the summer.

The name "June bug" refers to any of the 100 species of beetles that are related to the scarabs familiar from ancient Egyptian iconography. Other common names for the June bug include "June beetle" and "May beetle." The common June bug is one-half to five-eighths inches long and reddish-brown in color. Being beetles, they also sport shiny wing covers, called elytra.

Females bury their eggs just below the soil surface. June bug larvae hatch within 3 to 4 weeks and feed on grass and plant roots from several months to as long as three years. In spring and early summer, these larvae — also known as grubs — grow into pupae. Within 3 weeks, these pupae mature into adult June bugs.

Provost

By: Ed Thompson

Parade season is here and it got started as usual with the Florence Days parade. From now until fall we will be working on parades most weekends. We appreciate all those Provost who turn out to help bring some organization to the chaos of lining up the parades. The more members we have at the parades the more fun and camaraderie we enjoy, so come on out to the parades and help out.

In addition to working the parades, it's fireworks season. We will be selling them from June 25 through July 4th and we will need all the help we can get at the tent. This is our 10th year running the stand and it is our only fundraiser. It has been very successful for us and it is because of all the great help we get from our members and the Provost Ladies. Please come out and help whenever you can. It's a lot of work, but we also have a pretty good time.

Our Divan is struggling this year with budget issues. The Circus not only failed to make the money we expected, but it lost money. In an attempt to help our leaders with the budget challenges they are facing we presented a challenge to all the other clubs and units at the May stated meeting to make a contribution to our temple's general fund and Provost will match their donations up to a total of \$5,000. At this writing we don't yet know how the challenge has been responded to, but we are optimistic that they will meet the challenge and we will help raise \$10,000 or more for our general fund for this fiscal year.

Our Divan has gotten a bid to significantly upgrade our security system around the temple. Our unit will be discussing how we can participate in the purchase and installation of the system at our upcoming meetings. We encourage everyone to attend our regular meetings and participate in those discussions as well as all the other business Provost is involved in. We meet the third Thursday of every month at 7:00 pm in the lower level of the Shrine. Please join us and bring any prospective members to a meeting to see what we are all about.

Women's Auxiliary

Women's Auxiliary Continued

As promised in last month's Hot Sands, I will be giving you a report on the general meeting of the WGA4Kids. Faye & Dan Daniels, Dick and I attended the meeting which was held in Minneapolis on April 28-29. Daryl Finley joined us for the banquet on Monday evening, as he was to attend the Board of Directors meeting the next day.

FIRST AND FOREMOST: THE WGA4KIDS IS NOT DISBANDING. No matter what form of healthcare will be adopted, there will always be the need for wheelchairs. The Shrine does NOT provide wheelchairs for the kids. The WGA4KIDS provide the chairs and other mobility equipment for the children we serve at the Minneapolis location. Last year the amount of money spent for wheelchairs was \$99,359; for wheelchair repair, rental and orthoses was \$31, 856.66. For the hospital to provide mobility within the facility the WGA spend \$24, 044.48. The total for wheelchair/mobility equipment that was spent was \$155,260.14. As you can see that is a considerable amount of money. Money that all of us have helped to raise in order to fund this project. We still need your support. Tangier Auxiliary is NOT going away.

Tangier Auxiliary sent \$7,475 in donations to wheelchair fund directly and another \$500 in memorial money, which was also earmarked for the wheelchair fund. We do not send as much money as some but more than others. The highest amount sent by one auxiliary was \$39,642 and the lowest was \$83. Many of the auxiliaries exist with as few as 3 or 4 members. The point is, we each can do something. When you are giving gifts for birthdays, anniversaries or even a remembrance for a death, think of the Auxiliary. ALL money that is given to us goes directly to the wheelchair fund at WGA4KIDS. NONE of the money goes to Imperial. REMEMBER 100% DIRECTLY FOR WHEELCHAIR FUND HEADQUARTERED OUT OF WGA4KIDS.

As part of the fun, we took four raffle baskets and a Christmas quilt to be raffled. After drawing for the items we took, two of them were then auctioned to raise even more money. The wine basket from Iowa was auctioned and the person who won the raffle bought it back for \$105. Her husband was overheard as saying "I will wrap this and it's her Mother's day gift." The kitchen basket we took was raffled and the person who won

it immediately told us to auction it. When the auction for this basket was complete it had been raffled and then auctioned four times. The first auction went for \$90, the second for \$85, the third for \$75 and the final or fourth time it sold for \$100. Our kitchen basket brought a total of \$350. The garden basket we took was auctioned after the raffle and sold for \$105. The person with the winning bid then decided where the money was to go. Each time an auxiliary was named. Of course, each auxiliary will end up giving the money to the wheelchair fund. In addition to the raffle items, we sold three of the wine bottle lights, an owl tablet case and a set of card holders. With the raffle and the items sold we netted about \$450 for the wheelchair fund.

The can tab fund has done very well and has been helpful in funding the wheelchair funds. Since its inception 16 years ago the amount received from the sale of 54,520 pounds of aluminum is \$35,230.12. In 2018 5,469 pounds were sold for \$3,554.85. The lady in charge of this negotiates the price and waits for the best price possible before selling. The average price received was 65 cents per pound. The latest development is that we can still send the tabs to Minneapolis until December. We were glad to hear this information as we are only getting 25 cents per pound locally. We are thankful for all of you that so willingly and faithfully send us the tabs you have collected. At our meetings we have two or three of our guy members that carefully sift through all of the tabs before we send them to the recycling center. We find many treasures and interesting items in the tabs. **KEEP THEM COMING PLEASE.**

The WGA4KIDS will be accepting items until December. This is straight from the Chairman of WGA. So what do they need and what can we provide? Books for pre-teen and teens to read; activity books for younger children; colors(24 pack) and coloring books; high top or tube socks in bigger sizes for teens bright colors and patterns; socks for younger kids sizes 4-11; pillow cases (standard size) for younger kids (patterns that young kids like); gym shorts for young kids in sizes x-large through xxlarge in kids sizes and m, l, xl and xxl in adult size **NO METAL OR PLASTIC**; hospital gowns **NO SNAPS OR METAL** in l, xl and xxl sizes **NO PATTERNS ON MATERIAL AND PLEASE NO SEE THROUGH MATERIAL**; fleece blankets are the kids favorites they can be 50 x50 for young kids and 50 x 60 for the older kids Can be tied or sewn kid friendly fleece,

sports teams, Disney characters, etc.

At the meeting each Auxiliary is required to give a report. We also handed them a check for \$2500 at that time. Just in that one 2-hour timeframe the wheelchair fund received \$39,517.25. We heard how the other auxiliaries are raising money and the membership of each of the auxiliaries. As with all other organizations they are having trouble maintaining membership. However the good news for Tangier is that in the last year we have gained 12 new members! **HOORAY.** About six of these folks are coming to meetings and are infusing us with new ideas and enthusiasm. Way to go!

Many of you are wondering what the new healthcare system will look like when it is a done deal. Well, at this time it is not done, but the directors are working very hard and diligently on finalizing the end result. At this time the plan is to have a clinic in Minneapolis with many outreach clinics in the area that we serve, the upper Midwest. The directors gave us several locations that are being considered and Omaha is one of those cities. Telemedicine will be a big part of the picture; by using this tool the physicians in the outreach clinics can directly communicate with our Shrine physicians and actually see the patient. This will eliminate the need for the patient and family to travel great distances for the initial contact. In the future, there may be the possibility of Shrine physicians going to the outreach areas and performing surgeries at a hospital that we would partner with in the local outreach area. In Minneapolis we partner with Gillette Hospital for Children so that our Shrine physicians can do the necessary surgery. This is a time of change and challenge and until the directors can get it finished, we will all need to be supportive and understanding of the great amount of time and thought that is going into this new model of healthcare. As a personal aside, I would like to thank Past Potentate Daryl Finley, Tangier's hospital representative and treasurer for the directors, for all the time, travel and caring he gives for the kids we serve.

I know that this is a long report, but I feel that it will help you to understand what is needed, what we can do and what some of the changes may be. Hang in there, we will get to the end and when we do it will be a more efficient, cost effective, and yet a better way to treat the kids that we care so deeply about.

Until next time, be kind to one another and I will talk with you again next month.

I'm happy to say that the Fish Fry was a big success and we served over 500 dinners between the dining room and the drive-through, a significant increase from last year. I'd like to thank the members of the Fish Fry committee: Commander Rob Kuhl, Bruce Arb and his Lady Ruth, Jan Cade, Dave Robinson, Greg Hess, Rob Mead, and Illustrious Sir Don Perry. Dave Robinson did a fantastic job with both traffic flow and directing the drive-through. Rob Mead brought on desserts via the Job's Daughters. Greg did a great job of running our outside fryers. Dean Abel and his Lady Judy for helping both Thursday night and all day Friday. Tim Bernet for helping Friday morning and his work in the kitchen. Illustrious Sir Jim Hirl, Chuck Ploughman, and Illustrious Sir Charlie Marchand for doing a fantastic job frying the fish and fries. Leann Norton, Jeri Fleming, Don Streeter, Gary Shepard, Paul Gonzales, Rich Higgins, Robert, Mac, McManigal, LaMar Lind, Bill German, and Lenny Begley for working the drive-through and serving line. Chuck Anderson, whose daughters and their friend did a fantastic job with the 50-50, Kenny Patrick, and Ray for also helping with the 50-50 and as greeters. Arnold Nelson and Dean Abel for greeting and selling tickets. I'd like to thank the following Ladies for their work in the main room attending to our guests; Rob Kuhl's Lady Lisa, Bill German's Lady Colleen, Ray's Lady Kathy, Lenny's Lady Arleen, Arnie's Lady Karleen, Greg Hess's Lady Lisa, Don Brinkman's Lady Jean, Mac's Lady Lesley, Don Streeter's Lady Marcy, Charlie's Lady Connie, Becky Parks, and Gary Shepard's Lady Janelle. Dave Muller, my Lady Kim, along with Dean Nelson's Lady Linda ran the beer bucket cart. Dave Treadway and his Lady for coming out to help Thursday and Friday. Dean Nelson for working the crowd. Lastly and also very important the bartenders Michelle and Angie. This event couldn't work without all of your time and contribution to the success of our unit and this is why we have the best unit in Tangier.

The Shrine Bowl game is just about here I'd like to thank the unit members who came out for the players dinner on Sunday May 4th to help serve, have dinner with a player and his family, and or clean up. I hope to see you in Kearney for the game or at a parade soon.

Shriners Healthcare
for Children™—Twin Cities

May 16, 2019

After a great deal of planning and searching, we plan to move to a new building in the City Place Development in Woodbury, Minnesota, an eastern suburb of St. Paul, Minnesota, by the summer of 2020. This move is a step in our transition to an outpatient clinic model.

Construction of our new site will begin later this summer and continue into the middle of next year. Our current site will be sold as we transition to the new site.

Ease of highway access, proximity to other local area amenities, first floor access and the opportunity to design and build out space, incorporating the knowledge gained from 96 years of service, were all elements that influenced the selection of the site and the timing of this transition. Developing a new site is a special opportunity to create a patient-centered environment for the modern era. The new Shriners Healthcare for Children - Twin Cities clinic will continue to serve children from a seven-state service area.

Shriners Healthcare for Children's new facility will allow staff to provide a wide range of services for children with orthopaedic conditions including:

- **Clinic Services:** providing a family-centered, team approach to care. Patients will see specialty physicians, nurses, therapists and other pediatric-trained specialists in an environment designed for children.
- **Child Life:** providing families with support during appointments through play and anxiety coping activities. The Child Life program also offers over twenty (20) camps and programs to meet the physical and emotional needs of children with orthopaedic conditions.
- **Radiology:** providing standard x-ray service as well as EOS, which provides 3-D, fullbody imaging with up to 85 percent lower radiation.
- **Rehabilitation:** providing physical and occupational therapy to help children build skills, strength and mobility needed for everyday activities.
 - **Scoliosis Specific Exercise** - a specialized physical therapy program that uses exercises, stretching and breathing to improve a patient's scoliotic posture.
- **Orthotics and Prosthetics:** offering orthotic and prosthetic services specifically for children, including upper and lower extremity prosthetic care, scoliosis bracing and a broad spectrum of pediatric orthotic services.
- **Telehealth:** including telehealth capabilities that enable video connection to other remote sites across the region, creating more opportunities for access to children in need of pediatric orthopaedic services. This capability enhances Shriners Hospitals for Children's reputation as the largest network of specialized pediatric orthopaedic and burn telehealth sites in the world.
- **Surgery Services:** All surgeries will be performed by Shriners Healthcare for Children - Twin Cities physicians at Gillette Children's Specialty Healthcare in St. Paul, Minnesota, or other pediatric hospitals.

We are excited to care for children with orthopaedic needs well into the future in a brand new facility and we appreciate your support in doing so.

Sincerely,

Charles C. Lobeck

"Let Us Show You How Home Remodeling is Supposed To Be"

Chad and Kory grew up Elkhorn in the 80's riding big wheels together. Now they have traded in their big wheels for Black Carp's Trucks and remodeling homes in the Omaha Metro Area.

Keeping homeowners happy, comfortable, and informed is an integral part of our business practices. We are a locally homegrown business that will be here for you when you need us and make your remodeling experience an enjoyable and affordable one that you will be able to enjoy for years to come. With Carp's you get the advantages of a large one-stop shop with the customer service you might find at a smaller company. We started with one man and an idea of how, to do things the right way the first time around.

Our customers contact us when they want to deal with one company that can take care of all of their service and project needs.

We don't profit by overcharging and getting cheap labor and moving on to the next project. We believe that it is vital to have homeowners involved in every step of the process.
