## Potentate's Message

Greetings All and happy March! I would like to start by saying what a wonderful Circus we had this year! The Divan and Circus Committee put a lot of effort into making some changes for the better to help not only our numbers, but the atmosphere and show as a whole. We truly believe it paid off! What an incredible weekend and thank you doesn't even begin to do justice in thanking everyone. People forget, Nobles and their Ladies not only work countless hours for 4+ days in a row, but many use hard earned vacation time to get off work, miss precious time with family, and of course, work so hard, that they will be sore for a week after (myself included!). To say it means the world to myself and Lady Pam would still be an understatement! Thank you all for giving it 120% and showing the community why we want to keep this thing going for another 90 years!

With that, we're on to another extremely busy month! Let's just roll down the line with some of the bigger things: The Director's Staff Mardi Gras party is March 2nd. This is always a great event and hopefully, you can make it and bring your family and friends to enjoy their fun festivities.

Friday, March 8th is a Friendship dinner at Tangier. This is such a special way to show the Freemason side of our brotherhood and the great philanthropy it brings, as well. Not to mention, showing the possible future brothers and their ladies the amazing work we do for our Hospitals. Please contact the office and RSVP.

Saturday, March 9th is the annual Mobile Nobles 357 dinner. Not sure if there will be any tickets available by the time you read this but check with their officers if interested. Good luck to everyone and congratulations to whoever wins the big prize!

The biggest event of the month: Corned beef and cabbage on St. Patrick's Day! It is on Sunday, March 17th. Please, please, please try and help when you can. We'll need help with prep work, cookies, set-up, and of course, working the day of. This is one of our biggest fundraisers of the year for Tangier, and we hope everyone can help do their part in making this day a huge success! If you need the times and dates on when help is needed, please contact the office.

Last thing on the list: The Potentates Ball on March 23rd and 24th. All events are being held at Tangier. The cost is only \$50 per person! That includes the Ball and Breakfast. Rooms are available for \$79 a night at Aksarben Suites (Yes, there will be a shuttle service to and from the hotel!). See the ad in a few pages for more details. We would love to pack the house!

Thank you all and here's to a successful March! Fraternally,  
Mike Gardner

## Arab Patrol

By: Jim Huebner

February as always was a busy month for the Arab Patrol. On February 11 we had our Valentines Dinner at Charleston's on Dodge Street. Thanks to Jan and Len Kliment for setting the event up and giving us a chance to let our ladies know we appreciate them.

We had our members and ladies helping out with ushering at the Shrine Circus and a couple of kids won bicycles that the Patrol purchased. What a great event for Tangier and a chance to make our fraternity and the Hospitals better known to the community. We also did the cooking and serving at Hamburger Night February 27.

Time flies this time of the year and it won't be long until St Patrick's Day and Tangier's annual Corned Beef and Cabbage event on Sunday March 17. The Patrol always has a big turnout for the event and at a minimum staffs the first shift from 11:00 am until 3:00 pm. Of course many of the guys are very involved in the days/weeks leading up to the event with preparation of the corned beef and cutting up carrots, cabbage, etc. Several of our members are here for the entire day and we appreciate their dedication.

The Patrol's big event is the annual Rib Feed that will be held Saturday April 27 in the evening. More details to come, but our plans are for this to be the biggest and best ever. There will be a lot of great ribs, "fixins" and plenty of great prizes to win. Hope to see everyone there.

Let's all keep working on membership!  
Until next month.

## Legion of Honor

By: Jeremy Martin

Greetings from the Legion of Honor! I hope you all have a fun and safe St. Patrick's Day!

Legion of Honor had their Fez ball back in February and boy was it a good one. We welcomed in Past Commander as the new Commander Dick Moore, congratulations Commander! We had the pleasure of not only having the Tangier Divan there with us, but a past International Assoc. LoH Commander and the next 4th Lt Commander of IALOH David Ginapp accompanied by his wife Jan and their son and daughter-in-law. We also had the pleasure of having four individuals from Moilia Shrine.

March is a down month for us as we will be preparing for parade season as the time gets closer.

As always, we are always looking for new members to join our ranks. As a reminder, you can belong to more than one unit within the Shrine.

## Arbor Shrine

By: Don Larson

Spring is just around the corner and that brings the time for Arbor Shrine Club's big fundraiser, the Vidalia onion fundraiser. To order your onions see the ad in this Hot Sands. If you purchased onions that were in poor condition in the past please contact Melton Leefers (402-828-5775) and he will see how the problem can be corrected.

Arbor Shrine Club has some different parade dates from the Tangier schedule and would like to invite the Tangier Units, Clubs, Divan, and Nobles to join them at any of those parades. Arbor Shrine will post those dates at a later date. If planning to join Arbor Shrine at any of these parades, please let Potentate Mike know.

Arbor Shrine Club Nobles and Ladies that have birthdays on file for March are Kenny Cole, Lawrence (Brownie) Brown, Jerry McMurphy, Jan Larson, Jim McMurphy, and Jolene DeBuhr. Hope everyone has a great and safe day.

Arbor Shrine would like to welcome their newest member, David Seamder. They would also like to thank Chief Rabban Al Smith for making the trip down to the January meeting and doing a Cold Sands for David.

Arbor Shrine Club is always looking for new Members; if interested please join them on the last Tuesday of the month.

## Keystone Kops

By: Joe Burtzel

Well Circus is over and boy did we have a good time! Thank you to all of you who came out to volunteer to make it a success. We met a lot of kids and their families as well as some of our patients. Oh and we can't forget the introduction that our rookies, Tony, Steve, Justin, and Jeff all received along with their first official "Circus pie" – some were gooey, some were tasty, but for sure all were thawed.

I would also like to thank all the Kuties and other volunteers for helping with selling all the novelties. The Kuties also kept us supplied with food and drinks for the whole week and we all know behind every good man is a good woman and we couldn't do this without the Kuties!

Now to look toward the Ides of March this means green beer and cabbage on March 17th. Remember to sign up to volunteer to help out with this event for Tangier. Also remember if you are interested in the Potentate's Ball sign up ASAP as space is limited.

In closing, always remember we are here for the kids so keep thinking membership and support your lodge and the Shrine.

## Chanters

By: Bernie Hauber

Last month, we all know that February 21 through 24 was the Tangier Shrine Circus and was held for a fifth successful year at the Mid-America Center in Council Bluffs. The Chanters provided direction (ushering?) and helped with the National Anthem as usual. We were honored to sing at St. James United Methodist Church's "Sweetheart Dance" on February 8. Now let me introduce you to one of our members:

Noble Jim Carlton has been our treasurer since 2011. Jim was raised in Bellevue Lodge in 1990, and served as Worshipful Master in 1995 and again in 2012. He joined Scottish Rite in 1996 and has been awarded the 32nd degree KCCH. Jim joined Tangier Shrine and the Chanters in 1996 and has served as our captain. He is a member of the York Rite bodies, the National Sojourners and the Order of the Eastern Star. Jim was named DeMolay Nebraska Mason of the Year for 2011. He is President of the Masonic Youth Foundation of Nebraska and the Secretary/Treasurer of the Masonic Community Center Foundation.

We, the Chanters, want to congratulate Jim Carlton for being elected and installed as Grand Senior Warden of the Grand Lodge of Nebraska AF & AM on February 2, 2019.

The Chanters are Shrine Masons from a variety of backgrounds, with a variety of talents and interests, and, like Jim, with a variety of accomplishments. Most of us are not professional singers and most of us do not have "perfect pitch." We just enjoy singing, having fun and helping others as we go. Please consider joining us. The larger the group the better the sound produced.

We welcome any noble with a joy for singing. Just contact any Chanter or just stop by on Mondays around 7:00 pm at the Shrine Center. That's my update for March.

"Since Love is Lord of heaven and earth, how can I keep from singing?" Robert Lowry (Baptist minister and composer)

## Daughters of the Nile

By: Queen Donna Walter

Hopefully while you're reading this the cold weather will have subsided. I think it has been a few years since we've had one so bitterly cold.

Due to the wind chill being so brutal the February 7 session was canceled, and we held a combined business, ceremonial, and memorial service on February 16th. We initiated Denise Gummo, we are so pleased to have a new princess.

A big thank you to Past Queens Marti Neely and Deb Benitez for co-chairing the last fundraiser for my year, the Silly Style Show. It was a great fun and a good time was had by all who attended. Many thanks to all who helped with set-up, serving, and preparing the great lunch. The originally designed outfits that were modeled could rival any and all well-known fashion designers. Thank you to all models, ladies, and gentlemen.

Our March Session will be our election of officers. The after-election night dinner will start at 6:00 pm at the Ralston Spaghetti Works, 8416 Park Dr., Ralston. The election night dinner is open to anyone who wishes to attend. The cost is \$14.00, and reservations should be made with Karen Clopton, phone 402-651-8690 or e-mail her at Kaycee19@cox.net. Installation of new officers will be at 2:00 pm, Saturday, March 16 at the Scottish Rite Cathedral, 20th & Douglas Streets, Omaha.

My year has ended, and I cannot thank everyone enough for the support and help I received. It has been a wonderful and memorable year.

To all who are Irish, Happy St. Patrick's Day! Support the Corn Beef and Cabbage dinner on March 17th. The food is always super!

## Corvette Club

By: John Shanks

Greeting from the Corvette Club. First off I just want to thank all of the Corvette Club members that helped out with the Circus and all of the Shriners that participated in this year's event.

We had our first road trip of the year – of course we were not able to take out our Corvettes but we still had a great time hanging out with each other and our wives. We will have more of those events in the coming year.

If you are interested or know someone who maybe interested in joining the Corvette Club, they can contact John Shanks at 402-689-7375. We are always looking for new members.

## Director's Staff

By: Mel Morton

March the month of Mardi Gras, March Madness, leprechauns and pots of gold. If that isn't enough, we can add the Pote's Ball to the list. Sounds like a busy month. It doesn't look like things will be slowing down.

What a great time we had at the Circus. I would like to thank everyone that helped with the balloon room and at our booth. It was a lot work, but we had fun doing what needed to be done.

March 2nd is the Directors Staff Mardi Gras party. We will be decorating in the evening of March 1st. We will need all hands on deck on both days to continue to make this a successful event for us. There will be great food and fun with tickets \$15 each, \$25 per couple, or a table of 8 for \$100. Tickets are available from the Directors Staff members, at the Tangier office, or at the door. Don't forget the costume contest and crowning of the King and Queen, if you are so inclined to come in costume. If you are not a Directors Staff member but would like to help out, please join us.

Corned beef and cabbage is on March 17th and is one of the Shrine's fundraisers. It takes everyone to put this event on. Sign up for a time to work and help the Shrine grow. Great food, great time – how could you not want to be involved?

The Potentate's Ball, Saturday Night Fever, is on March 23rd. It starts with the hospitality room from 12:00 pm to 3:30 pm. It is also a great time to meet nobles from some of the other Shrines. Dinner and the ball starts with the social hour at 5:30 pm with introductions, dinner, and dancing to follow. Then it wraps up with Sunday morning breakfast starting at 9:00 am eye openers. If you haven't been to the ball before, make your reservations and see the all the fun you have missed in the past.

SDA is coming up in Springfield, MO April 24-27. There is a lot planned besides our general session and the President's Banquet. Our Imperial Potentate, Imperial Sir Jim Cain will be in attendance. It is a great time to meet with other Director Staff members from all over the country and see some new stunts. Join us and have some fun in Ozark country.

If you are interested in seeing what the Directors Staff is all about, contact any of our members or come to one of our meetings. We meet on the 4th Monday of every month in the lower level of the Shrine at 7:00 pm. Our ladies meet at the same time. Support the divan, other clubs and units, your blue lodge, and other Masonic organizations.

=As always remember it's a great day to be a Tangier Shriner!

## Hillbilly Clan

By: Jim Sklenar  
- Raban of the Clan

Howdy Cuzins! How ya'll doin'? Hope you and yours are startin to thaw out. A big thanks to everyone that attended the Circus last month and helped make it a great success. What a fun time too! We've got so much stuff going on, I can hardly keep up with it all.

I hope ya'll had a great time at the Hillbilly Christmas party on December 28th. Thanks to the Illustrious Vittle Fixer Mike Gardner for a great meal! The Ham was delicious. Also, he had our elections at the Christmas party. Congratulations to Mike on his position as Hillbilly Secretary! The rest of the incumbent officers got suckered into doin it again. Congrats to them and their ladies for volunteering.

Don't forget the Tangier Corned Beef and Cabbage is coming up! This year St. Pat's falls on March 17th, it's a Sunday too. Please try to take a couple of hours and help out if you can. It's always a good time. The other important event is the Potentate's Ball being held on March 23rd. Dust off your best duds and come on out and celebrate with Mike and Pam! The food and dancing is going to be a blast.

We also have the upcoming Spring Hillbilly Ceremonial. Sorry, but your Hillbilly leaders (ME) have been dilly dallying. We will be setting the date in the next few weeks. So please watch your email and the Hot Sands. One of the big changes we started several years ago was doing the ceremonial at Tangier! We have some other neat ideas too. This is gonna be a heck of a hootenanny! Of course we are going to need lots of help for this event too. So if you can help out, that would be greatly appreciated. Along with the great vittles, we are looking to be changing a few things up this year too. Its gunna be a fun time!

If you have any ideas you'd like to share, please get ahold of one of the HB officers. My email is socknroo@frontiernet.net. We appreciate your input. Please keep an eye on the Hot Sands and computer mail for more info on the Spring Ceremonial.

Sweet Cheeks and I hope you and your family is having a great 2019! Ain't it great to be a hillbilly!

## Golden Girls

By: Maxine Lorraine Powers

Oh! Happy Day, on the 20th, Spring arrives. Let's hope the weather cooperates.

I have read and heard on a few occasions that the 50s were great times here in the USA. Research reveals a few historical highlights. Armistice signed ending conflict over Korea in 1953. The same year Mt. Everest, highest point on earth, was conquered by man. Transcontinental television inauguration in 1951. And I remember buying a window air conditioner with the price tag indicating a shocking amount in the mid-50s.

Golden Girls will meet this month on Tuesday, the 12th. Usual time, 12-noon, and same place, lower level, Shrine Center.

See you at the Corned Beef and Cabbage feed.

Daylight saving time begins on the 10th. Time to re-set your clocks and watch.

Until next month.

## Mobile Nobles

By: Patrick Smith

This is an exciting month for the Mobile Nobles, but let's not forget all the fun we had at the Circus. A hearty thanks to all the nobles and ladies who helped out with everything Circus: the Hy-Vee promotion events, making our novelty booth a success, keeping an eye on the train during the shows, and all the other little things that make a big difference. We mean it every time we say it: We couldn't have done it without you!

Now we turn our attention to our annual 357 Dinner. In case you haven't heard, someone is going home \$10,000 richer that night. All you have to do is buy a ticket. We might even have one or two left as you read this; contact Neil O'Donnell if you're interested in attending.

Of course, the dinner wouldn't go off without all the help we receive. That includes longtime emcee PP Frank Kroupa, all the tickets sold by I.B. Joe Beister and PP Dale Harding, Marti Bellamy for the donated afghans, the Rainbow Girls for their support and wonderful desserts, and all the nobles and ladies who help make this event a success. Each one of you has a part in making our unit run, and we are truly grateful.

Before long it will be parade season, so keep an eye out for a train cleanup event, Mobile Nobles. In the meantime, be sure to support the other units and clubs, and stop by your blue lodge to say hello if you can.

See you down the tracks.

"The rotation of the Earth really makes my day."

## MO-RI

By: Steve Bugajny, VP

Hear ye, Hear ye, March is here and that brings a change to the clocks, a start to spring, and of course St Patty's day.

St Patty's day is a big deal at Tangier and rightly so. Not only is it a great way to raise some money for the Center, it also is one of the biggest means of fellowship and teamwork and brotherhood that we have here at Tangier. You will no doubt see the times and dates of activity that will lead up to and including the big Corned Beef and Cabbage event in the Hot Sands. Check the front pages. This year it falls on a Sunday. March 17. That means that there will be many families and people who don't like to deal with weekday traffic, and they will come to our event hungry. So plan to join us at the Shrine Center to help in anyway you feel you can. Check with your respective club or unit and see where they have placed a claim to assist. Or just come down on the listed days where we will need help. You will be welcomed.

Mo Ri continues to have a nice growing group of members. We recently had a lovely dinner at Farmer Browns in Waterloo. The food is always good and we sure enjoy the socializing.

If you like to eat, chat, and bring your loved one with you, then feel free to look us up. We love new members!

Spring is soon upon us, enjoy.

## Shinerazzi

By: Greg Norton

Greetings from the Shinerazzi. Hope everyone is having a good year so far.

Spring and summer is just around the corner. Everyone will be taking vacations and spending time away from Tangier, including the members of the Shinerazzi, so I am asking for your help. We need more photos of Shrine, Blue Lodge, Scottish Rite, or York Rite events, such as parades, parties, fundraisers, and outings to share with everyone at the Shrine in the lounge on the TV. If you would like to share your photos for everyone to see, please leave your photos at the Shrine on a thumb drive for Greg Norton. All thumb drives will be returned.

If you would like to become involved with photography, sharing photos and learning tricks of photography please let me know.

I would like to thank Shinerazzi members and Colleen German for sharing photos and their continued support.

Hope to see you all taking photos at the next event.

## Oriental Band

By: Stan Darling

The Oriental Band is making the move to Omaha! We need nobles that are eager to participate in the Oriental Band. Whether riding on our float, or walking along side, or towing the float, we want you!

The OB is a long-standing unit in Tangier, based in Fremont all these years. We have costumes to wear (robes, curled toe shoes, turbans, and instruments that you can play (if you dare to try). Drum, gong or musette, or just ride along and wave to the crowd.

No specific monthly meeting date has been established yet, but we want to be ready for the summer parade schedule whether with music we play, or use recorded tunes, we would like anyone young and old to participate.

If you are interested, please contact Ed Spots at [animaled3@yahoo.com](mailto:animaled3@yahoo.com) or Stan Darling at [spdarling76@mail.com](mailto:spdarling76@mail.com).

## Vintage Iron

By: Jay Johnson,

President 2015

Attention VI membership. The Stated meeting is on March 14th and I would encourage you to stop by, attend the meeting, discover what is happening at Tangier, and enjoy the camaraderie following the meeting.

Many thanks go out to the VI members driving the golf carts this year and to those helping out Tangier Shriners in other various positions throughout the event. The Circus was again a very special time for all the Children and the Big Children as well.

The children were tickled and showed their excitement getting their face painted with a fun face decoration or a (temporary) arm tattoo. Thank you to the Ladies providing the art. They always do such wonderful and joyful face painting. A big thank you for the VI ladies selling Tokens – they always do a great job.

Our attention is now focused on Saint Patrick's Day and the Corned Beef and Cabbage Feed. Only thing I can say is Yummm. And as always, for those who can, we need to step up and help in the kitchen with the preparations. It is a lot of work, but it is a lot of fun as well.

Club dues are due at the end of March and you should have received notice by now. Please make an effort to update your information to inform our Secretary Steve Kohler of any changes for the roster. In order to be informed, we need to be sure we have your correct information.

Please support all Units, Clubs, Lodges, and Rites.

## Provost

By: Ed Thompson

By the time you read this, winter will be over (we hope) and we will have two major events behind us; the Change of Command Dinner and the Shrine Circus. The C of C dinner was a great time as Rich Braun turned the chief's badge over to John Schnepel for 2019. We want to thank the entire Divan for attending the event and a special thanks to Illustrious Sir Mike Gardner for doing the installation of the new 2019 officers. We also want to thank Past Potentate Jim Hirl for again providing a wonderful meal, and to Angie Larson for tending our open bar. The new officers for 2019 are John Schnepel, Chief; Wade Ridout, Deputy Chief; Bill Simmons, Secretary; and Ed Thompson, Treasurer.

Chief John headed up a work party in February to clean out our locker and they made a huge improvement in the room. We got rid of a lot of stuff we hadn't used in years, and found supplies that we could use at the Circus and other events such as paper products and plastic silverware. What a great job they did. You can even walk around in the room now. And speaking of the locker, if you have a key to the locker, please let Chief John or me know. We would like to know who all has keys and if there are some that no longer need them so they could be given to the new officers.

We are sorry to report that our unit was visited by the black camel already this year. Illustrious Sir Jeff Jackson, Potentate in 2009 and associate member of Provost passed away on January 12, and Paul Schmalenback, the Chief of Provost in 1997, passed away on January 29. In addition, Frank Vondra's mother passed away. We extend our sincere condolences to these friend's families, and we have made a contribution to the Tangier Transportation Fund in their memory.

If you haven't been to a meeting for a while, come and join us. We always have a lot going on but meetings only last about an hour, and there's always a lot of good fellowship following the meeting. We meet on the third Thursday of the month at 7:00 pm in the lower level of the Shrine Center. And if you're not a member of Provost and would like to be, or just want to see what our unit is all about feel free to attend one of our meetings.

## Shrine Bowl Unit

By: Tom Erickson

Greetings from the Shrine Bowl Unit. We're already two months into 2019 and the winter has been a busy time for the unit. We hosted our fourth Big Red Prime Rib Dinner of this season on January 18th and will have hosted our final dinner on February 21st. This is the unit's largest fundraiser and Keith Taylor did a fantastic job organizing and lining up the speakers this year.

Thanks to all those in the unit that came out and helped serve Hamburger night on January 23rd. Thanks to all the unit members that helped out at the Circus and sold tickets. The unit will also be serving at the St Patrick's Day Corned Beef and Cabbage from 3:00 to 7:00.

I'm really excited for this as the 2nd Annual SBU Fish Fry will be here before we know it and we are busy organizing so we have a great night. See the ad in this issue but mark your calendars for Friday April 19th as we will need plenty of help. Tickets will be available for presale at the unit meeting in March.

For those that may have forgotten, the 2019 unit dues are now due.

I hope to see you at an event soon.

## Road Runners

By: Stanley Garner

Tangier Road Runners made six trips to the Shriners Healthcare for Children – Twin Cities in January, transporting six patients thereto. Drivers also made two trips to Rochester, Minnesota, transporting one patient to and from for treatment at the Mayo Clinic.

Four patients were transported to the Shriners Hospital for Children – Chicago by commercial flight.

Drivers in January included: M. Burke, R. DeWell, D. Jeanneret, G. Bennett, M. Waller, R. Lyon, R. King, C. Crawford, F. Kroupa, M. Hatcher, J. Gathmann, and R. Krause.

Thank you, all, for your efforts!

## Golf League

By: Bill 'Sully' Sullivan

I hope everyone has enjoyed the off season and are ready for some enjoyable time on the golf course. League play for 2019 will begin on Thursday April 25 at Elmwood Golf Course, and will continue for 23 weeks with three weeks off for July 4th, the Moila Tournament (July 11-14), and CSSA (August 22 – 25).

The league is desperate for new players. Please consider joining or continuing to be a member of the League. Due to age and recent expirations, we are in need of additional players. Any Mason or Shriner, in good standing, interested in joining the league who is available to play Thursdays at 3:30 pm sharp is welcome. Help your Shrine club, unit, or Lodge organize a team. Teams of four players play 9 holes at Elmwood golf course on Thursdays at 3:30 pm beginning April 25, but a full team of 6 members allows scheduling around necessary absences. Contact me or Pete Larson if you have interest in playing.

An attempt will be made to contact each league player from last year to verify their plans to continue playing in the league this year. If you have not been contacted, please contact Sully regarding your decision so we can determine the number of new players needed to fill each team. Also, please contact Sully if team rosters or captains are expected to change.

Players joining the league must be dedicated and committed to arriving on time and playing each week they are scheduled to play. All players must be in good standing with their Blue Lodge (and the Shrine if a Shriner), and pay for the full season up-front so they have a vested interest in participating when scheduled.

## Motor A

By: Larry Hulsebus

All of our Little 57s are tucked away keeping warm waiting for Parade Season 2019 to arrive.

We had our January meeting at the Farmhouse Café and celebrated Karen McCauley's birthday also. Celebrating February birthdays are: Karen McCauley (2-4); Sandy Bowman (2-6); Carol Sesemann (2-17); Peg Nodean (2-18); and Al Sesemann (2-23). We have no February anniversaries. Motor "A" showed up in force for the Circus and helped wherever needed.

Until next month, "keep you gas tanks full and remember to turn the key".

## Jo De Ra

By: Pat Costello

Dear fellow Cavaliers,

What a great successful Tangier Circus. Our club donated a bike and a child will be looking forward to the spring and summer to ride it in the neighborhood.

By this time, our Captain must be done with rules and regulations to bring in a new member. Hopefully, you are also looking for new members. We will invite/meet him at our first meeting, April 1, with the location to be decided. This is a true story: People have approached Pat Costello during the parades and told him. "Thank you for helping our grandson at the Shriners Hospital." What a feeling it gives you that you are a part of an organization that helps our children/grandchildren. We know that you have experienced it, so why not bring in people to share that feeling? Asking doesn't cost you a thing. You may be surprised at the answer.

Pat Costello would like to invite our members to celebrate St Patrick's Day with a complementary corned beef sandwich at his store on March 17. Drinks are on you. See you there.

Sherry Reese woke up with a start one morning. Steve asked what was the matter, and she replied, "I just had a dream that you gave me a pearl necklace for Valentines Day. What do you think it means?" "You'll know tonight," Steve said. That evening, he came home with a small package and gave it to Sherry. Delighted, she opened it to find a book titled "The Meaning of Dreams." - Till next time.

## An Advanced Orthotics and Prosthetics Program

Shriners Hospitals for Children has a long history of providing expertly crafted, correctly fitting orthotic and prosthetic (O&P) devices to children who need them, giving kids with missing limbs and other orthopaedic difficulties the opportunity to believe in their dreams and be active participants in the world around them.

Our staff members have created devices that allow children with missing limbs to play musical instruments, participate in sports and to have a better quality of life. Our highly trained O&P professionals can create a full range of devices, from a complete prosthetic limb to the smallest assistive device, for children of all ages, as efficiently, accurately and precisely as possible.

### A FASTER, SMARTER WAY TO CREATE O&P DEVICES

Shriners Hospitals for Children has taken its commitment to children in need of O&P devices even further, and established a system-wide approach that is more streamlined, collaborative and technologically advanced.

The U.S. Shriners Hospitals have been divided into six regions, each with a hospital designated as a regional

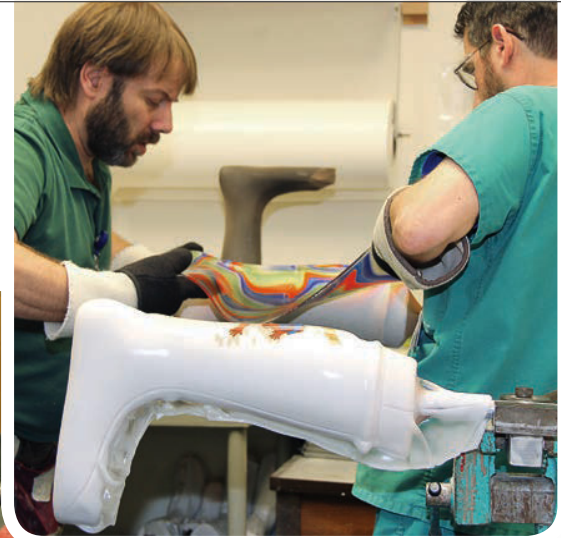

fabrication center that supports the O&P departments of specific Shriners Hospitals. The O&P departments and regional fabrication centers are separate nonprofit LLC corporations, known as Pediatric Orthotic and Prosthetic Services (POPS).

The fabrication centers have electronic carvers, and each hospital location has computer-assisted design (CAD) capabilities.

In the new process, hospital staff use a light scanner to scan the patient's leg, for example, to obtain measurements and other information. Using CAD, the practitioner creates a rendition of the device needed. The computerized data is then sent to the regional fabrication center for development of a foam model using the electronic carver. Then, the actual device is created and sent to the requesting hospital, where it is fitted to the patient, and the patient is taught to use the new device.

This approach eliminates the need for creating plaster casts as models, and saves the scanned model as a digital file for future reference. Now, creating an O&P device can be accomplished in days, rather than weeks. The computerized data also helps document changes in patients' growth or weight, which may necessitate new devices.

In addition, our Salt Lake City location has a foot carver machine that is specifically used to create orthotics that

are inserted into shoes to correct a range of foot-related problems, such as a lack of or too much of an arch. This machine can create the entire device without a foam model. The Salt Lake City POPS department will provide this type of orthosis for the entire health care system.

### MAKING TECHNOLOGY MORE ACCESSIBLE

Future plans for O&P include the development of a pilot program for 3-D printing for sockets, including determining the durability and quality of a printed socket. The socket is the part of a prosthetic device that fits around the residual limb. Its fit and construction are critical to the success of the device for the patient.

"The POPS program strengthens the consistency and efficiency of our processes and products throughout our health care system," said JoAnne Kanas, corporate director of O&P Services. "It is also a differentiator for Shriners Hospitals; very few hospitals still have their own O&P departments or programs."

The policies of Shriners Hospitals for Children are replicated in each POPS location, including the commitment to provide each patient with the best possible individualized care, regardless of the family's ability to pay.

"Shriners Hospitals is unique in its approach to O&P," said Kanas. "What we can do for our patients is special."

## Teamwork: Together Everyone Achieves More

Scott Kozin, M.D., chief of staff of Shriners Hospitals for Children® — Philadelphia, loves to tell the story of two, four, six, eight.

At 2 years old, Zion developed a serious infection that required his hands and feet to be amputated. At 4 years old, he received a kidney transplant; the donor was his mother, Pattie. Zion was taking anti-rejection drugs to keep his new kidney functioning. At age 6, Zion came to Shriners Hospitals for Children — Philadelphia for new prosthetic legs.

The evaluation of Zion's lower extremities prior to his receiving those first prosthetics from Shriners Hospitals was the impetus that led to his hand transplantation. The idea to give Zion hands was possible because he met the prerequisite of already being a transplant recipient and successfully taking immunosuppressant medications.

### History-Making Surgery

At 8 years old, Zion received the first bilateral pediatric hand transplantation at the Children's Hospital of Philadelphia along with help from Penn Medicine, Gift of Life and hand surgeons from our Philadelphia hospital, Dr. Kozin and Dan Zlotolow, M.D. During the 11-hour procedure, four teams of physicians worked to transplant the hands from the donor to Zion. The procedure required bony fixation, artery and venous anastomosis along with nerve and tendon reconstruction. The surgery was successful.

"The collaboration between these institutions was necessary to assemble the team and organize the players to orchestrate such a complex and demanding procedure that had never been performed on a child," said Dr. Kozin.

### Becoming Independent

Zion is now three years post-hand transplant surgery.

Now 11 years old, he is a happy pre-teen and learning to be independent. He enjoys cooking and sports. "Zion is so comfortable living his normal life," said Pattie. "He enjoys playing laser tag with his friends, boxing, and is attending robotics camp this summer."

Zion continues to have occupational and physical therapy in his hometown. His mom couldn't be more happy with his progress. As Zion continues to grow and get taller, Pattie will bring him back to the Philadelphia Shriners Hospitals for Children

to be fitted for a new set of prosthetic legs. In the meantime, she is delighted that Zion is becoming more independent every day at home, at play, and at school.

### More on our Physicians

He also completed a fellowship in hand and microvascular surgery at Mayo Clinic in Rochester, Minnesota.

## Shriners Hospitals for Children Provides Hope and Healing Through Care, Research and Education

Shriners Hospitals for Children® is a unique health care system with a reputation for finding answers, and giving families hope. At our locations in the U.S., Canada and Mexico, children receive excellent care for orthopaedic conditions, burns, spinal cord injuries and cleft lip and palate, regardless of the families' ability to pay for services. Since opening our first hospital in 1922, we have worked hard to fulfill our mission of providing pediatric specialty care to as many children as possible.

### **A Tradition of Providing State-of-the-Art Specialty Care**

In the 1920s, the first Shriners Hospital was opened primarily to help children who had contracted polio. Today, the majority of our locations provide care for children with all types of orthopaedic conditions, including clubfoot, hip disorders, limb deficiencies and deformities, scoliosis, and orthopaedic difficulties related to cerebral palsy and other neuromuscular conditions.

Aware of a need for medical expertise in pediatric burn care, we opened three hospitals specializing in acute and rehabilitative burn care in the mid-1960s. These are the only hospitals that were initially established exclusively for the treatment of pediatric burns and related conditions. A fourth hospital in our health care system offers treatment in all four of our care disciplines, including burns. These hospitals continue to be pioneers in pediatric burn treatment and research and are recognized as leaders in the development of improved and innovative treatment techniques.

In the early 1980s, our organization began the nation's first pediatric spinal cord injury rehabilitation programs. These initiatives offer

patients a complete range of services that help promote recovery to the fullest extent possible.

Cleft lip and palate is the health care system's fourth service line. Facial clefts are one of the most common birth defects in the U.S. Despite the frequency of its occurrence, and the severity of the deformities, comprehensive care for patients with cleft lip and palate can be difficult to obtain. Shriners Hospitals for Children is committed to improving care for children with this condition through a coordinated program of clinical excellence, teaching and research.

### **Groundbreaking Research and Discoveries**

Shriners Hospitals for Children strives to discover answers that will one day improve lives by conducting high-quality, innovative research, especially in the areas of burns, orthopaedic/musculoskeletal and neurological injury and disease.

Over time, our researchers have made significant breakthroughs in all four of our service lines, improving the care and quality of life for countless children worldwide, while adding to the global body of medical knowledge.

### **Educating the Health Care Professionals of Tomorrow**

We are also proud of our role in medical education. By maintaining relationships with several medical teaching facilities, Shriners Hospitals for Children fosters an academic environment committed to providing superior education for medical professionals and quality care to all patients.

### **Eligibility**

Admission to our medical facilities is based solely on medical need. All children under the age of 18 are eligible for care if there is a

reasonable possibility they could benefit from the specialized services available. All services are provided regardless of the ability to pay.

### **Be Part of Our Mission**

At all Shriners Hospitals for Children locations, our patients receive specialized treatment and support that encourages healthy, independent lives. As a 501(c)(3) nonprofit organization, our health care system relies on the generosity of donors to carry out this mission of improving the lives of children.
