Potentate's Message

July was another good, but very hot month. Great parades, picnics and outings. Thank you Nobles and Ladies for all your help and hard work. The Divan went to Daytona Beach for the Imperial Session July 8 through the 13th. We learned about our hospitals and the wonderful work they do and we shared many new ideas at the July Stated Meeting. If you missed it, please contact a divan member and they can update you.

We had an outstanding Kick-off for our 1st Annual Fez-tival of trees. The divan shared our tree example. Look for the pictures on the bulletin board. We have a good start with units and clubs sponsoring trees, along with outside companies promising that their tree will be the one to get the most raffle tickets!

August has a lot in store with more parades and Unit/Club picnics. This year, there is a new parade in Bellevue on the 19th so don't miss it. There are two fun Shrine nights – Shrine Night at Stormchasers on Thursday, August 17 at Werner Park and Shrine Night at the Races on Friday, August 18th at I-80 Speedway (see the ad in this newsletter). And don't forget the Friendship dinner on Thursday, August 24. Talk to your friends and bring them to this dinner so they can hear about all Tangier has to offer.

CSSA is in Kansas City, August 31st – September 2nd. I'm sure it will be a fun time. We hope to see you all there.

We also have another great new fundraiser, our 1st Annual SHRINE N DALES on August 26. We have even heard that four other Shrine Centers are coming to see this event. The Clubs and Units are getting very competitive. You and your lady won't want to miss this.

Arbor Shrine

By: Don Larson

Where has the summer gone, students will be back in school shortly and the parade season will come to the end for another year. The Firetruck seems to have run good with the rebuild motor and transmission. The little vehicles have been spoken for except one, anyone interested in it contact the Club.

The members that head south for the winter are probably making plans, it seems they just came back for this year.

The onion recipe for this month is Easy Onion Rings: 2 large Vidalia Sweet Onions; 2 1/4 cups self-rising flour; 2 cups milk; Enough oil for deep frying. Cut onions into 1/2" slices, separate into rings. Dip into milk, then flour, then milk again and back into flour. Deep fry at high temperature until golden brown. Drain on paper towels. VARIATIONS: After final dipping in flour, you may also dip in corn meal before frying. NOTE: Onion rings may be fried a lighter brown, drained, cooled, and frozen. To serve later, reheat in deep fryer.

Those getting a year older in August: Chuch Spohr and Richard Vlash, HAPPY BIRTHDAY. Anyone missed who would like to be added, please contact the Club.

Parades for August for Arbor Shrine Club :Saturday, August 5th, Carson Iowa Parade, 9:30 AM line up for 10:30 AM Parade, Saturday, August, 5th, Sidney Iowa Rodeo, 3:00 PM line up for 4:00 PM parade (Yes, 2 parades same day) Saturday, August 26th, Millard Days, 10:00 line up for 11:00 parade.

Anyone interested in joining Arbor Shrine Club, we meet the last Tuesday of the month at different locations, contact the Club for meeting location, we would love to see you.

Chanters

By: Bernie Hauber

It is August and certainly still summer, but the Tangier Shrine Chanters' singing schedule has picked up. This month, we have plans to sing for some local churches. We continue practicing on most Mondays with warm-up beginning at 6:50 pm, and are preparing for our performances at area churches in August. Our church performances on Sundays in August are as follows: August 13 - Covenant Presbyterian Church, 15002 Blondo St. Omaha, NE; August 20 (11:00 AM) - Carson United Methodist Church 300 Washington St., Carson, IA; and August 27 (9:30 AM & more?) - St. James United Methodist Church, 4343 Capehart Rd. Bellevue, NE. We are also scheduled to sing at Arrows to Aerospace celebration at Washington Park, Bellevue on Saturday, August 19. Some of the exact times are still to be determined as of this writing. However, please feel free to contact any Chanter and we will be glad to give you the details.

The Chanters have also been invited to provide entertainment for a Masonic camping group at Fremont Lakes SRA on September 8 and have begun preparations for our annual fundraiser (the Rib Feed) on October 20. Tickets should be on sale by the end of August. Any noble with even a little interest in singing and a willingness to join us should contact any Chanter or just leave a message at the Shrine Center. That's my update for August.

The Chanters Unit does not participate in parades and there is no organized competition in the CSSA. However, we wish nothing but the best for other Tangier Units, who are competing at the upcoming 80th Annual CSSA Convention in Overland Park, Kansas. GO TANGIER!

Circus

By: Jim Turpen, Circus Chair

Greetings Nobles and Ladies, time for some Circus Talk.

We are already working on the 2018 Circus and there are a couple of items we would like to bring to your attention. First is the Circus Office: PP Charlie Lovell is now overseeing the activities of the office and the ads for the Circus Program.

We have some new volunteers helping out and lots of things going on. Thank-you letters have been sent to all our advertisers with information on how they can renew their ads for next year's circus. Along these lines, there will be a special ADVERTISING SEMINAR on August 24, 6:30 PM at Tangier. Food and beverages provided. The seminar is for all Nobles and Ladies who are currently selling ads or those who are interested in learning the ins and outs of selling ads. These ads are a major contributor to our circus revenues and many opportunities exist to get involved and step up our ad sales. We are also starting a series of meetings with our colleagues at MAC. Marketing is critical to our success since attendance is key and we are working on some additional initiatives to get the word out. On October 24, starting at 6:00 pm we will hold our annual CIRCUS KICKOFF at Tangier. Place the date on your calendars and join us for some fun, fellowship and all the latest in circus information.

Hope to see many of you soon at the advertising seminar.

We greatly appreciate all of your help with making the circus such a great success.

Guess I missed July - Belated birthday wishes for July go to Noble Ken Nisley and Lady Anita Peck.

Belated July anniversary wishes to Noble Stan and Lady Carol Hale and Noble Dick and Lady Pat Whiteman.

The following will celebrate August birthdays - Noble Dick Whiteman and Lady Laura Mendosa.

There are no reports of sickness and distress.

Corvette Club

By: Pete Larson,
President

I am hopeful that all of the Tangier Nobles, Ladies, friends, and family members had a fun but SAFE July 4th holiday. The Tangier Corvette Club had a fantastic turnout at the Annual July 4th Parade in Ralston as 22 TCC Members showed off their bright and shiny Corvettes for the estimated 40,000+ parade spectators.

As always the Tangier Corvette Club is preparing for CSSA in Overland Park, KS. CSSA is always a good time for the club's members and ladies. The TCC is anticipating having another strong showing at the Motor-Corp Competition of 22 Corvettes and we are hopeful to win the traveling Motor-Corp Trophy for the 5th straight year. Please keep your fingers crossed!

Thanks Keith "Top Down" Kortright for picking out the pre-parade hangouts for us to gather as they have been absolutely great. Additionally, a special thanks to Rich and Kathy Roenfeld for hosting the TCC and Divan members at the Silver City Man Cave before the Red Oak Parade for a scrumptious breakfast of biscuits & sausage and potato casseroles (not to mention a few eye-openers).

REMEMBER – The TCC is looking for a few new members who own a parade-worthy Corvette. The club meets at Tangier Shrine Center at 6:00 pm the second Monday of every month. Please contact Pete Larson at (402) 659-5960 or email him at: nu4me@cox.net if you would like more information about becoming a Tangier Corvette Club Member.

Until next time, keep your top & windows down when it is warm and sunny, but UP when you go through the car wash!

Road Runners

By: Stan Garner

Tangier Road Runner drivers made six trips to the Shriners Hospitals for Children - Twin Cities in June, transporting six patients. An additional twenty-two patients traveled there by private conveyance, and two patients traveled to the St Louis Hospital by private conveyance. Six patients were transported to the Chicago Hospital by commercial flight, and one patient was flown to the Cincinnati Hospital.

June drivers included: J. Riddle, D. Robinson, T. Brummett, J. Ryan, G. Eckert, R. DeWell, B. Garner, A. Penner, M. Burke, M. Hatcher, S. Hanquist and B. Riley.

Thank you, all, for your "patient" driving.

Daughters of the Nile

By: Samantha Gunn

Greetings to all! Hope you have had a wonderful summer so far! Sat-ra Temple is getting back into the swing of things after taking some time off to attend Supreme Session in Niagara Falls and to be with our families. Our Sessions will start again on August 3rd the first Thursday of the Month at 6:15pm; all members of Daughters of the Nile are welcome to attend!

We have a few activities planned so far for the fall beginning with a Pampered Chef fundraiser in August; please contact myself or any Nile member for more info if you'd like to order. We're also putting the final details together for our Trivia Game which will be held in September (I promise it won't be on game day!)

Also, please mark your calendars for November 5th when Sat-ra Temple will be hosting the Supreme Queen Karen Keuther. More details to follow!

Thank you to all the ladies who traveled to gorgeous Niagara Falls for Supreme Session. We had the chance to ride the Maid of the Mist which took you up front and center with the falls, a true sight to see, you can't imagine the pure force of that water until you're in it. Several walked the bridge over to Canada where there was plenty to do, see, and eat! A few took a ride on the zip line that went along the falls as well. We enjoyed wonderful food at our banquets, outstanding performances including our very own Chorus who sang "You Can Fly" from Peter Pan, several members even took a visit to the Shriners Hospitals for Children – Erie, one of the oldest in the system. Our Temple also took home an award for membership and we received 2nd place for our newsletter in the 300 members or more category! It was truly a marvelous time and I was proud to represent Sat-ra Temple!

Membership is at the heart of every article in the Hot Sands and there's no exception here. Daughters of the Nile also introduced the Legacy Program which honors ladies who share the generational bond of a Daughter of the Nile. I myself am a second generation member. We're waiting to receive more information but this is an awesome program! So do you have a woman in your family that is interested in joining our organization?

Always Aspire to Inspire! With love and a lil bit of Pixie Dust!

Director's Staff

By: Don Larson

Where has the summer gone, it seems like we just put the cold weather clothes away. School will be starting in a few weeks, parents will be happy, to see the kids back in classes.

The parade season will be coming to an end and the parade vehicles will be put away for the winter. It seems we just got them out and ready for parades.

The Directors Staff's first poker run at around 70 to 80 registered, 95% were non-Shriners, and everyone said they had a good time. Thanks to Jack Gardner for being chairman and everyone else that helped behind the scenes and the day of the event, hope to see more next year.

It is not too early to start getting ads for the Circus book. As Nobles, we must make sure that the the Circus is back to the success that has been in the past if Tangier is to continue with its programs.

With summer coming to a close, hopefully it will free up some time and a few more members will be able to attend meetings and events.

Anyone wanting to join the Unit, we meet the 4th Monday, at 7:00 pm, lower level of the Temple, we would be welcome.

Golden Girls

By: Maxine Lorraine Powers

A joyful thought – only four or five more weeks of hot weather. I'm looking forward to those cool September evenings and pleasant days.

Garden produce is plentiful in August. Homegrown tomatoes make a big hit with most folks. Many fruits and vegetables have been in existence since the beginning of time.

Blueberries have an interesting American history. They are one of the few fruits native to North America. Blueberries have been coveted by Native Americans for hundreds of years. They were called star berries by Native tribes. The berries were believed to protect children from famine, ease the pain of childbirth, and treat coughs and digestive problems. There were also a food staple, made into a jerky, with meat. Blueberries are a favorite berry in the United States, second only to strawberries.

Golden Girls will meet on Tuesday, August 8, 12-noon. Usual place – lower level (Oasis room) of the Shrine Center. Judy Ogren will be the hostess.

Birthday greetings are due this month for JoAnn Spann. She will celebrate her birthday on the 5th.

Until next month. Stay healthy, be happy, and keep a smile on your face. I hope your A/C keep hummin'.

Jo De Ra

By: Rib Eye Costello

Moila! Greetings to all JoDeRa and potential new members, (if any). Remember, the free drink and dinner offer still stands. Please keep an eye open for potential new members.

First, I would like to congratulate my Secretary, Jim Reese on becoming a new Grandpa, his daughter gave birth to a baby boy, weighing 8 lbs. congratulations to both of them.

What a big turnout we had during our June and July parades. Thank you to those who participated and would like to ask for some assistance in our upcoming parades due to vacations and family events. The August parades will be: August 5, Carson, and August 26, Millard. A quick note about the Carson Parade; they have the best Oasis, where we can have fresh corn out of the cornfields, and what a treat. Bob Krause really enjoys it as he's able to eat as much as he can hold. (His record is six)

As always, we would like to encourage our members to attend our monthly meeting: it's on the first Monday of every month at Brother Sebastians, at 6:30. Our Captain Tom, would love to see you and maybe he might buy you a drink. Hope to see you there.

Three people were sentenced to die at the guillotine. The first one was Darren Carlson a lawyer. He was led to a platform, blindfolded and had his head put on the block. The executioner pulled the lanyard, but nothing happened. To avoid a messy lawsuit, the authorities let Darren go free.

The next was Father O'Malley. They put on his blindfolded, head on the block and the executioner pulled the lanyard, but the blade didn't go down. They thought it must have been divine intervention, so they let the priest go.

The last person was Bob Krause, an ex-engineer. He waived his right to a blindfold, so they led him to the guillotine and put his head on the block. As he lay there, he shouted, "Hey, wait! I think I see your problem!"

Till Next time.

Pickup Truck Club

By: Charlie Beasor

Greetings to all members of Tangier. The Pickup Truck Club is still around and short of membership and still needs some new members.

We will meet on the first Tuesday of every month at 7:00 pm upstairs by the game room.

This day has been changed due to the Potentate's request.

Hope to see new members

Keystone Kops

By: Capt. Randy "Donkey" Jaccaud

Hello Kops, Kuties, and all other nobles and ladies checking up on our wonderful Unit.

July is in the books and what a warm one it was. Thanks to everyone who came out for all the parades so far this year. We were lucky enough to get the Paddy Wagon out from under what was left of the storage unit just in time for the Ralston parade. She did suffer a few scratches but no major damage. A big Thank You to those who came out to the Veterans Home before our July meeting. I know it means a lot to them and their families.

Sgt Burtzel wanted me to thank everyone who came out to the Keystone Kop Summer Picnic. I heard it was a really good time, really disappointed I was out of town that weekend. I heard a rumor Chief Jinxie made it through the whole day without breaking something?

Thanks to the Kops and Kuties who came out and supported Boone and Crockett at the annual Fish Fry last weekend. The food was delicious and some people even won some prizes. We also had the Festival of Trees kickoff event, more info will be briefed at the monthly meeting.

Is everyone ready for August? I hope so, because this is one of the busiest months for us. Check your emails for dates and times of skit practices. There is a Blood Drive this Saturday Aug 5th at the Shrine. Don't forget about the Stated Meeting on Thursday Aug 10th. Of course the monthly Kop meeting on the 11th. Shrine Night at the Races will be Aug 18th, pick up tickets at the office and hand them out to your friends and neighbors. Everyone who is dancing for the Shrine-N-Dales should be practicing your moves, the big day is Aug 26th. Last but not least, CSSA is closer than you think, everyone will be heading to Kansas City on Thursday Aug 31st.

Mobile Nobles

By: Dave Stolp

The month of July is now in the record book for "Old 357" and our crew members. The train is performing well thanks to the continued dedication of Dan Waldron and Larry Drews who perform all the required maintenance.

As some of you may have noticed we have completely redone the restroom on the train. This was done at a cost of material more than \$1000 plus volunteer labor. This cost comes directly from our operating budget. We try to recover some of this cost by asking a small donation by all who use the restroom. This is not working well at this time. The train operates for our unit and the Divan. We are considering closing the restroom to all others if our donations do not improve. We prefer not to do this. We ask your cooperation.

The "Little Train" was a big hit at the annual picnic. We will continue using this miniature train at events when possible.

"Old 357" is on schedule to attend the August parades at Carson and Millard. The train has been known to be on site at the Shiners Night at the Races on August 18th. The train will also will be traveling to CSSA. Please contact Larry Drews or Dan Waldron if you plan to ride the train to Overland Park. They will have the date and time of departure from Tangier.

Some of our members have agreed to appear at the Shrine N Dales on August 26th. They plan on being voted the "Best Act". This is a challenge for the rest of the "dancers". JUST TRY TO OUT PERFORM THEM.

That's it for now as I on off to clean more windows on the train.

Motor A

By: Larry Hulsebus

As always, Motor "A" was pleased to participate in the Ralston Parade on July 4th, and even a EF2 Tornado couldn't stop Steve from coming and joining in on the parade. Dirk Chilton, as his Little 57' reads, had a problem, he lost 2 nuts, and his seat fell apart at the back. Of course when you go at those high rate of speeds, parts can fly all over! Dirk (Dick) just chalked it off as another day at the race track with his Little 57' and needing some minor repairs. Rumor has it that Dirk is the name Dick uses at the race car circuit?

Our August meeting will be at Dirk and Rosemary's house and we would love to see anyone interested in joining our unit to join us.

Birthday greetings for July go out to Lindsey Gobbett, Scott Clark, and Gene Bowman and a Happy Anniversary wish to Roger & Karen McCauley.

Until next time, "keep your gas tanks full and remember to turn the key."

Motor B

By Ed Hatter

We are hitting the road for Dinner Ride meetings. We had seven bikes and two cars make the ride to Toby Jack's Steak House in Mineola, Iowa on July 10th. The weather was a little warm, but the ride home was great. I love riding Highway 275 in Iowa, nice swiping curves. Our first dinner ride was to Round the Bend in South Bend, Nebraska in June. In August we are headed to Bulldog's Bar and Grill in Murdock for some of the best hamburgers around on August 7th. Meet us at Tangier at 5:30, kick stands up at 5:45. If you're running late meet us at the restaurant at 7:00.

We will be helping the Blue Knights with the Police Motorcycle Skills Competition at Dillon Brothers on Friday's practice day and Saturday's competition on July 29 and 30th. This is a blast to watch, these guys have some awesome skills.

We are going to be planning some short rides this summer to some fairly local attractions. We plan to ride to Old Trusty Days on September 9th or 10th in Clay Center, NE to see some antique tractors, cars, and trucks, gas, steam, and hot air powered. We are also planning to make it to some of the cars shows. If something comes to mind, please email me and we will set up a ride. I like heading to some local orchards during the fall harvest for some apple pie and ice cream.

If you have a motorcycle or have an interest in motorcycles, we have all kind of bikes in our unit, so come out and join us. Feel free to email at ed.hatter@gmail.com with questions.

Ride Safe and watch out for Motorcycles.

Shrine Bowl Unit

By: Tom Erickson

Greetings from the Shrine Bowl Unit. What a great turn out the unit had for the July 4th Ralston parade. It was mentioned that it was the best turnouts for a parade in years and all had a great time. Thanks to all of those that were able to make it out. There are more parades on the schedule and I would encourage you to come out if you haven't yet this year as it a good way to show your support.

I know its hard to believe but football season is around the corner and ticket sales for the Big Red Prime Rib Dinners have already started. I'll report on the guest speakers in future editions.

CSSA is also coming up at the end of August and most of the arrangements have been made but if you are interested in going please let our Commander know.

The annual SBU picnic will be held August 12th at Arnold Nelson's and we all want to Thank You in advance Arnie. The bus and unit members will also be heading out to the Shrine Night at the Races on Friday Aug 18th. That is all for now so we will see you at a parade, a picnic or the races.

If interested, any Noble is more than welcome to attend our meeting to learn more about our unit

We meet on the second Tuesday of the month at 6:30 in the lower level for dinner and our meeting begins at 7:00.

Tangier Band

By: John Herbolsheimer

The Band has been busy this parade season, and we are happy to report the addition of a new band member! Wesley has made a great addition to our trumpet section, and it's been a pleasure to have his daughter join us for parades and at the picnic this year. Sadly, we had to say goodbye to our flutist, Nathan, as he accepted a new position in Sioux City. We wish him the best of luck and hope that he visits when in town again! Our monthly meetings will be on hold until September due to parades and other commitments.

The Band is looking for band instrumentalists, and we can always use more brass, woodwind, and percussion players. Even if you think you've been out of practice for too long, sit in with us and you'll be surprised at how quickly it all comes back to you! If you need an instrument, we might be able to find one for you. If you are interested, please contact John Herbolsheimer at herboljohn@hotmail.com.

Please continue to support the efforts and fund-raising activities of your local clubs, units and lodges.

Women's Auxiliary

By: Jan Moore

Hi to all, hope this finds you cool and comfortable.

I missed last month, due to some surgery that I had on my nose. I can breathe much better now and am glad I had it done. For those that sent cards or good wishes, I thank you.

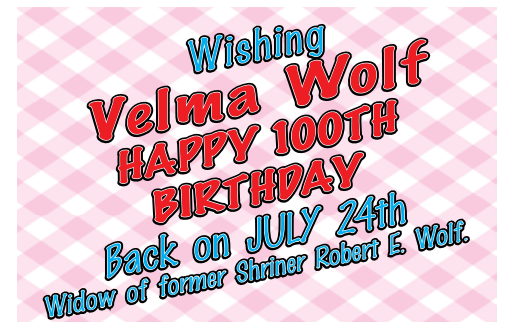

The bakeless bake sale has proven to be a success once again. As of today (June 28) we have received just over \$600. All of this will be sent to the General Auxiliary for use at the Shriners Hospitals for Children – Twin Cities. As always, we thank you for all the support you extend to the Auxiliary. We couldn't do as much if it wasn't for the whole of Tangier and all of our good folks. We will still gladly accept any monies that you want to send in for this project. It is NOT too late.

Just a reminder that we can no longer send the little bottles of toiletries to the hospital. Due to regulations enacted by the health boards, the hospital can no longer give them out. If you still have some, there are other places that would benefit, such as the Veteran's Home, the Masonic Home at Plattsmouth, or the Open Door Mission. We still have the chance to do some good with the little toiletries we all collect as we travel.

Our annual STYLE SHOW, BAZAAR, AND LUNCHEON will be held on October 7 at the Shrine Center. We will open to sell our handmade goods at 11:00 am, lunch will be served at noon, and the style show will follow. The cost will be \$10 per person. Don Perry will be our chef again this year. Thanks Don for caring about the Auxiliary. If you wish to reserve a table please let one of us know. You can call Jan Larsen, Faye Daniels, or the office and reserve a table. A table will seat eight people.

As every article I write says, thanks for the aluminum tabs. Please keep saving them, they bring a great deal of money for the Auxiliary. The money from tabs goes to the wheelchair fund. The kids use the wheelchairs like they are made of reinforced steel and alas they are not. We constantly have a need for money for this fund. To everyone that collects and sends us tabs, THANK YOU.

Stay safe and cool and be kind to one another, I will talk with you again next month.

Gaining a Greater Understanding of Complex Orthopaedic Conditions

Our in-house research teams include renowned experts whose discoveries have changed treatment methodologies and improved the lives of countless children coping with debilitating conditions. Shriners Hospitals for Children® is committed to the pursuit of knowledge that improves medical care.

Research with the Potential to Change Lives

Here are some examples of ongoing efforts related to orthopaedics at our official research centers:

- Researchers at Shriners Hospitals for Children — Canada have made many discoveries related to the treatment of osteogenesis imperfecta (OI), as well as its genetic cause. OI is a hereditary connective tissue disorder that is mainly characterized by bone fragility. Researchers at our Canada location have contributed to the understanding that, in the majority of patients, OI is caused by mutations in the two genes that encode collagen, the primary building block of bones. One aspect of current research focuses on the disease-causing mutation in OI type V.
- At Shriners Hospitals for Children — Northern California, Diana Farmer, M.D., is working hard to correct spina bifida and other fetal malformations before birth through the use of in-utero surgery and examining stem cell grafts in experimental models. In addition, Laura Borodinsky, Ph.D., recently obtained novel evidence that folate increases the ability of cells on the two sides of the spinal cord to fuse together to prevent spina bifida, which explains why adding folic acid to the maternal diet diminishes the frequency of spina bifida. Also, Michelle James, M.D., chief of orthopaedics, is developing new tests and procedures to enhance functional recovery

from hand malformations and injuries. If successful, Dr. James' studies will help children who have congenital thumb problems be better able to grip objects.

- The research team at Shriners Hospitals for Children — Philadelphia is dedicated to clinical and laboratory research that advances scientific knowledge around the prevention and treatment of mobility issues resulting from injury or disease affecting the brain. Under the leadership of Peter Crino, M.D., Ph.D., the Brain Development and Plasticity team is making strides in understanding the causes of cerebral palsy (CP) and developing therapies for its prevention and treatment. Laura Goetzl, M.D., is researching the maternal factors that cross the placenta and cause the fetus to develop CP. Once fully developed, these tests can be used to pinpoint the timing of in-utero brain injury that leads to CP, and potentially to monitor the effects of in-utero treatments to reduce brain injury. Tanya Ferguson, Ph.D., is also testing a drug that could be given to pregnant women who experience an episode that puts their baby at risk for CP. And, Sam Lee, Ph.D., is using advanced muscle-stimulating techniques combined with physical therapy to help children with CP improve their ability to use a tricycle for fun and aerobic conditioning.

Committed to Our Mission of Improving Lives

These are just a few of the many studies being conducted at our research centers that will, hopefully, lead to improved lives and improved treatments for children coping with a wide range of orthopaedic conditions. We are proud of the work being done throughout the Shriners Hospitals for Children health care system to add to the worldwide body of medical knowledge and change lives.
